

## Lab 6

### Programs

1. Consider the more general map procedure described in section 2.2.1. This is the version supplied by Scheme. Write and test your own version of this function and call it my-map.
2. AS&S 2.32
3. Read 2.4.3. Code AS&S 2.74.
4. AS&S 2.75
5. Do, but don't submit for grading, AS&S 2.76.
