

GK12 Student Evaluation Fall 2006

Teacher: Mr. Kittel

GK12 Fellow: Ms. Brown

 How did you feel about science at the beginning of the semester?

 How do you feel about science now?

 What grade do you expect to get in science? Explain why.

 How could you have improved your grade?

Please evaluate the following activities:

For Biology students only:

	Absent	Okay	Good	Very Good	Excellent
Presentation on enzymes (demonstration of cell detachment with trypsin)	1	2	3	4	5
Mitosis model using candy	1	2	3	4	5
Journal entry: "Cancer:Mitosis Gone Wild"	1	2	3	4	5
Biology review: Designing test questions	1	2	3	4	5

For Physical Science students only:

Understanding classification using element cards	1	2	3	4	5
--------------------------------------------------	---	---	---	---	---

All Students:

If you had to pick one assignment/ activity that was your favorite, what would it be? **(You do not have to pick from the list above)** Explain why.

If you had to pick one assignment that was your **LEAST** favorite, what would it be? (**You do not have to pick from the list above**) Explain why.

Would you like to continue to see a GK12 fellow in all your science courses? Explain why.

How was the GK12 Fellow (Ms. Brown) most helpful to YOU?

What did you want the GK12 Fellow (Ms Brown) to do that she did not do?

Please list any comments or words of wisdom for Ms Brown.
