1 Introduction
2 Getting to Help=TASK_GETTING_HELP
2 Using Help once you get to it=TASK_USING_HELP
2 Using QuickTabs=TASK_USEQUICKTABS
2 Choosing menu commands=TASK_CHOOSEMENUCOMMANDS
2 Using shortcut menus=TASK_SHORTCUTS
2 Using the Quicken calculator=MENU_ACT_CALC_REGULAR
2 Registering your software=TASK_REGISTER_SOFTWARE
2 Exiting Quicken=TASK_EXIT
1 How Do I
2 Set up accounts and categories
3 Creating a new account=TASK_SETUPACCT
3 Selecting an account to use=TASK_USEACCT
3 Applying for online services=TASK_ONLINE_APPLY
3 Setting up an account for online services=TASK_ONLINE_SETUP_ACCT
3 Printing the Account list=TASK_PRINT_REPORT
3 Make changes to accounts
4 Changing the name of an account=TASK_EDITACCT
4 Changing the limit of a credit card account=TROUBLE_ACCOUNT_CREDITCARD
4 Deleting an account=TASK_DELETEACCT
4 Hiding an account=TASK_HIDEACCT
4 Providing a file password=TASK_PWD
4 Providing a transaction password=TASK_PWD_TRANS
3 Set up accounts for special purposes
4 Setting up a joint bank account=TROUBLE_ACCOUNT_BANK
4 Setting up a line of credit account=TIPS_LINEOFCREDIT
4 Handling cash balances in my brokerage account=TIPS_CASHMANAGEMENTACCTS
4 Tracking assets purchased through financing=TASK_ASSET_TRACK
4 Track foreign currency
5 Enabling multicurrency support=TASK_ENABLE_MULTICURR
5 Setting up a foreign currency account=TASK_CURRSETACCT
5 Converting existing account to foreign currencies=TASK_CURRCONVERT
5 Transferring money between accounts of different currencies=TASK_CURRTRANSFER
2 Keep my register up to date
3 Enter financial transactions
4 Entering a basic transaction=TASK_ADDTRANS
4 In a checking, savings, or money market account
5 Entering a paycheck=TASK_ENTERPAYCHECK
5 Entering a credit card payment=TASK_CREDITCARDPAY
5 Assigning more than one category=TASK_SPLIT
5 Transferring money to another account=TASK_TRANSFER
5 Transferring money between two online accounts=TASK_TRANSFER_FUNDS
5 Seeing where my cash goes=TASK_ATM
5 Entering a loan payment=TROUBLE_AMORT_MEMLIST
4 In a credit card account
5 Entering a credit card purchase=TASK_CREDITCARD_CHARGE
5 Entering a credit card payment=TASK_RECONCC
5 Entering a cash advance=TASK_CASH_ADVANCE
5 Changing the credit card limit=TROUBLE_ACCOUNT_CREDITCARD
```

5 Setting up a line of credit or equity account=TIPS_LINEOFCREDIT
4 In a cash account
5 Seeing where my cash goes=TASK_ATM
5 Assigning more than one category=TASK_SPLIT
5 Transferring money to another account=TASK_TRANSFER
4 In an asset account
5 Setting up an account for a house or other asset=TASK_SETUPACCTASSET
5 Updating the value of the asset=TASK_UPDATEASSETLIAB
5 Closing an inactive asset=TASK_CLOSEASSETORLIAB
4 In a liability account
5 Setting up an account for a mortgage or car loan=REF_AMORT2
5 Updating the value of the liability=TASK_UPDATEASSETLIAB
5 Closing an inactive liability=TASK_CLOSEASSETORLIAB
3 Enter data quickly
4 Making choices quickly in register fields=TASK_QFILL_ENTRY
4 Reusing whole transactions by typing in the Payee field=TASK_QFILL_RECALL
4 Using the pop-up calculator=TIP_REG_AMOUNT
4 Using the pop-up calendar=TIP_REG_DATE
4 Recording a transaction from the Financial Calendar=TASK_CALEN_REGISTERREC
4 Memorizing a split transaction with percentages=TASK_MEMOR_SPLITPERCENT
4 Recalling a split transaction with percentages=TASK_RECALL_SPLITPERCENT
4 Manage QuickFill's transactions
5 Adjust individual transactions
6 Keeping the amount from changing=TASK_LOCKUNLOCKTRANS
6 Changing details of a locked transaction=TASK_EDITMEMTRANS
6 Removing names from the Payee list in the register=TASK_DELETEMEMTRANS
6 Removing items from the Financial Calendar's Transaction
list=TROUBLE_CALEN_EDITLIST
6 Printing a copy of this list=TASK_PRINT_REPORT
5 Controlling how QuickFill works
6 Changing how QuickFill works=TASK_PREF_QUICKFILL
6 Letting Quicken memorize transactions=TASK_QFILL_MEMORIZE
5 Using QuickFill if auto memorization is turned off
6 Memorizing a new transaction=TASK_MEMTRANS3
6 Memorizing a transaction that's already in the register=TASK_MEMTRANS2
6 Recalling a memorized transaction=TASK_MEMTRANS4
3 Find my way around
4 Selecting an account to use=TASK_USEACCT
4 Scrolling through the register=TASK_REGISCROLL
4 Finding a transaction=TASK_FINDTRANS
4 Going to the other account involved in a transfer=TASK_GOTRANSFER
4 Change the order of transactions in the register=TASK_REGISORT
3 Make changes to transactions
4 Correcting mistakes=TASK_CHANGETRANS
4 Copying or moving text=TASK_TEXTEDIT
4 Copying a transaction between accounts=TASK_COPYTRANS
4 Changing a split transaction=TASK_REVISESPLIT
4 Deleting a transaction=TASK_DELETETRANS
4 Voiding a transaction=TASK_VOIDTRANS
4 Finding and replacing information in transactions=TASK_REPLACE
4 Recategorizing several transactions=TASK_RECAT
4 Review checks=TASK_REVCHECK
3 Manage the register
4 Showing transactions on one or two lines=TASK_ONELINE
4 Changing the way the register works=TASK_OPTTRANS
4 Changing colors used in the registers=TASK_PREF_COLORS
4 Adding a password to a transaction=TASK_PWD_TRANS

4 Changing or removing a password=TASK_CHANGEPWD_TRANS
3 Look at summaries of the register
4 Seeing a graph of how you spend your money=TASK_QUICKSHOT
4 Reporting on transactions used in a register=TASK_REGISTERREPORT
4 Printing the register=TASK_PRINT_REGISTER
2 Pay my bills
3 Schedule payments for recurring bills
4 Set up a list of bills to pay
5 Scheduling a future transaction=TASK_SCHED_ADDTRANSTOLIST
5 Changing a scheduled transaction=TASK_SCHED_EDITSCHEDTRANSLIST
5 Paying a bill ahead of schedule=TASK_CALENDAR_PAYNOW
5 Deleting a transaction from the list=TASK_SCHED_DELSCHEDTRANSLIST
5 Making a loan payment=TROUBLE_AMORT_MEMLIST
4 Look at bills on a calendar
5 Scheduling regular payments=TASK_SCHED_SCHED1
5 Finding a transaction in the transaction list=QUICKTIPS_CALEN_LOCATE
5 Changing a scheduled transaction=TASK_SCHED_EDITSCHEDTRANSLIST
5 Paying a bill ahead of time=TASK_SCHED_EARLY
5 Deleting a scheduled transaction=TASK_SCHED_DEL
5 Manage the Financial Calendar
6 Recording a transaction from the Calendar=TASK_CALEN_REGISTERREC
6 Looking at the account balances graph=TASK_CALEN_ACCTBAL
6 Changing the font used in the Calendar=TASK_FONT_CALEN
6 Switching the calendar to another date=TASK_SCHED_PREV
6 Adding a note to the Financial Calendar=TASK_SCHED_POSTIT
6 Changing the way the Calendar works=TASK_SCHED_CHANGECALENDARPREFS
6 Printing the Financial Calendar=TASK_PRINTCALENDAR
6 Managing the transaction list=TROUBLE_CALEN_EDITLIST
4 What to do when Quicken reminds me to pay a bill
5 Handling scheduled transactions that are due=TASK_REMINDERS_RECSCHED
5 Printing checks that are due=TASK_REMINDERS_PRINTCHKS
5 Sending online payment instructions that are due=TASK_REMINDERS_SEND_PMT
4 Changing the way Reminders work=TASK_BILLMINDER
4 Group bills together
5 Setting up a group of bills=TASK_SETUPGROUP
5 Entering bills in my register=TASK_USETRANSGRP
5 Changing the group=TASK_CHANGEGRP
5 Deleting the group=TASK_DELETEGROUP
3 Write and print checks
4 Write types of checks
5 Ordering checks to print with Quicken=TASK_ORDERCHECK
5 Filling out a check=TASK_CHECKPRINT
5 Reviewing checks I've written=TASK_REVCHECK
5 Writing postdated checks=TASK_POSTDATE
5 Deleting a check=TASK_DELETETRANS
5 Voiding a check=TASK_VOIDTRANS
4 Print checks
5 Preparing to print checks=TASK_PRINTCHECK_SETUP
5 Adjusting coarse alignment=TASK_PRINTALIGN_CONTINUOUS
5 Adjusting fine alignment=TASK_PRINTALIGN_PAGE
5 Printing checks=TASK_PRINTCHKS
5 Printing a partial first page of checks=TASK_PRINT_CHK_PARTIAL
5 Reprinting checks=TASK_PRINTCHK_REPRINT
5 Printing duplicate vouchers on a laser
printer=FAQ_PRINT_DUPE_VOUCHER_ON_LASER
4 Change the way check writing works
5 Creating a logo for my checks=TASK_PRINT_CREATELOGO

5 Printing a logo on checks=TASK_CHECKPRINT_LOGO
5 Changing the way Quicken writes checks=TASK_OPCHECK
3 Make loan and credit card payments
4 Making a loan payment=TROUBLE_AMORT_MEMLIST
4 Entering a credit card payment=TASK_RECONCC
2 Track contact information
4 Getting started=HELP_PIM_LIST
4 Adding contact information=HELP_PIM_EDIT_RECORD
4 Editing contact information=TASK_PIM_EDIT_ADDRESS
4 Sorting addresses=help_pim_sort_by
4 Printing lists=task_print_report
4 Printing labels=TASK_PIM_PRT_LABELS
2 Balance my accounts
3 Reconcile my bank account
4 Starting reconciliation=TASK_RECON_START
4 Reconciling my bank statement=TASK_RECONBANK
4 Reconciling an online account=TASK_ONBANK_RECONCILE
3 Break down reconciliation into steps
4 Adding a transaction missing from my Quicken account=TASK_RECONMISSING
4 Changing a transaction to match my statement=TASK_RECONEDIT
4 Printing a reconciliation report=TASK_RECONPRINT
3 If there are differences
4 Correcting differences=C_FIRST_TIME_RECON_OPEN_BAL_IS_OK
4 Adjusting the opening balance of a bank statement=TASK_OPENADJUST
4 Adjusting the register to agree with the account statement=TASK_ACCTADJUST
3 Special situations
4 Reconciling more than one month at a time=TASK_RECON_MULTMONTH
4 Adding earlier transactions to Quicken=TASK_RECON_EARLIER
3 Updating the balances of other types of accounts
4 Reconciling my credit card account and paying the bill=TASK_RECONCC
4 Reconciling my online credit card account=TASK_RECON_ONLINECC
4 Updating the register for a credit card statement=TASK_CCADJUST
4 Matching a cash account's balance to the cash on hand=TASK_MATCHBALCASH
4 Updating the balance of an investment account=TASK_UPDATEBALINV
4 Reconciling a mutual fund account=TASK_RECONMUT
4 Reconciling an investment account=TASK_RECONINV
4 Updating the value of my assets or liabilities=TASK_UPDATEASSETLIAB
2 Use the online financial services
3 Get started
4 Getting information about participating financial
institutions=TASK_ONLINE_FIND_FI_INFO
4 Checking for available services and fees=TASK_ONLINE_FIND_FI
4 Visiting a financial institution Web Site=TASK_VISIT_FI_WEBSITE
4 Contact my financial institution about online banking
services=TASK_ONLINE_CONTACT_FI
4 Contact my financial institution about online investment
tracking=TASK_SPIKE_CONTACT_FI
4 Applying for online financial services=TASK_ONLINE_APPLY
4 Applying for online account access for a credit or charge
card=TASK_ONLINE_APPLY_CC
4 Applying for a Quicken Credit Card with online account
access=TASK_ONLINE_APPLY_QAC
4 Applying for online payment with the Intuit Online Payment
service=TASK_ONLINE_APPLY_IOPS
4 Enabling a Quicken account to use the online financial
services=TASK_ONLINE_SETUP_ACCT
3 Connect to download and send account information

4 Checking my latest online account balances=TASK_ONBANK_CURRENT_BAL
4 Downloading my latest transactions=TASK_ONBANK_DOWNLOAD
4 Bringing my payment information up to date=TASK_PMT_INFO_UPDATE
4 Sending instructions to my financial institution=TASK_ONLINE_SEND_INSTRUCTIONS
4 Changing my PIN=TASK_EB_DLG_CHG_PIN
4 Changing my assigned PIN the first time I connect=TASK_EB_DLG_CHG_ASSIGN_PIN
3 Do online account access tasks
4 Work with downloaded transactions
5 Checking the current balances for my online accounts=TASK_ONBANK_CURRENT_BAL
5 Downloading my latest transactions=TASK_ONBANK_DOWNLOAD
5 Viewing transactions for other financial institutions and/or accounts=TASK_ONBANK_SEE_OTHER_ACCTS
5 Printing a list of your downloaded transactions=TASK_TXNS_PRINT
5 Reconciling an online account=TASK_ONBANK_RECONCILE
5 Reconciling an online credit card account=TASK_RECON_ONLINECC
4 Compare downloaded transactions and update my register
5 Comparing downloaded transactions and updating my register=TASK_COMPARE_UPDATE
5 Comparing downloaded credit card transactions and updating my register=TASK_COMPARE_UPDATE_CC
5 Fixing a transaction that should match=TASK_COMPARE_FIX_TXN
5 Unmatching a transaction=TASK_COMPARE_FIX_BAD_MATCH
5 Deleting a downloaded transaction=TASK_COMPARE_DELETE_TXNS
5 Updating my register in one step=TASK_COMPARE_ACCEPT_ALL
4 Use online account access with a credit card
5 For a Quicken Credit Card
6 Applying for a Quicken Credit Card with online account access=TASK_ONLINE_APPLY_QAC
6 Enabling a Quicken Credit Card account to use online account access=TASK_ONLINE_SETUP_ACCT_QAC
6 Downloading Quicken Credit Card transactions=TASK_GET_QAC_DATA
6 Comparing downloaded credit card transactions and updating my register=TASK_COMPARE_UPDATE_CC
6 Making a payment on your Quicken Credit Card account=TASK_ONBANK_PAYCC_QAC
6 Reconciling an online credit card account=TASK_RECON_ONLINECC
5 For other credit or charge cards
6 Downloading credit or charge card transactions=TASK_CC_DOWNLOAD
6 Comparing downloaded credit card transactions and updating my register=TASK_COMPARE_UPDATE_CC
6 Making a payment on an online credit card account=TASK_ONBANK_PAYCC
6 Reconciling an online credit card account=TASK_RECON_ONLINECC
4 Transfer money
5 Transferring money from the Online Center Transfers tab=TASK_TRANSFER_FUNDS_FROM_OLC
5 Transferring money from the register=TASK_TRANSFER_FUNDS_FROM_REG
5 Finding out if an online transfer has been made=TASK_XFERS_COMPLETED
5 Printing a list of online transfers=TASK_XFERS_PRINT
5 Deleting an online transfer instruction=TASK_ONBANK_XFERS_DELETE
3 Use online payment instructions
4 Set up online payee information
5 Setting up a new online payee=TASK_ONPAY_NEW_PAYEE
5 Changing information about an online payee=TASK_ONPAY_EDIT_PAYEE
5 Deleting an online payee=TASK_ONPAY_DELETE_PAYEE
5 Using an online payee to create an online payment instruction=TASK_ONPAY_USE_PAYEE
5 Creating a report about your online payees=TASK_ONPAY_REPORT_PAYEE

4 Work with online payment instructions
5 Bringing my payment information up to date=TASK_PMT_INFO_UPDATE
5 Creating an online payment instruction on the Payments tab=TASK_MAKE_POL_PMT_ON_PMT_TAB
5 Creating an online payment instruction in the register=TASK_MAKE_POL_PMT_IN_REG
5 Creating a repeating online payment instruction=TASK_SETUP_REPEAT_PMT
5 Changing a repeating online payment instruction=TASK_CHANGE_REPEATING
5 Connecting a repeating online payment instruction to a loan=TASK_AMORTIZE_REPEAT_LOAN
5 Changing the loan payment for a repeating online payment instruction=TASK_EDIT_LOAN_REPEAT
5 Printing a list of my online payment instructions=TASK_ONPAY_PRINT
4 Inquire about or cancel an online payment instruction
5 Finding out if an online payment has been made=TASK_PMT_INQUIRY
5 Canceling a single online payment instruction=TASK_STOPPAY_SINGLE
5 Canceling one payment in a repeating online payment instruction=TASK_STOPPAY_SINGLE
5 Deleting a repeating online payment instruction=TASK_STOPPAY_REPEAT
4 Switch between the online payment service and CheckFree
5 Switching from CheckFree to the online payment service=TASK_SWITCH_FROM_CF_TO_ONPAY
5 Switching from the online payment service to CheckFree=TASK_SWITCH_FROM_ONPAY_TO_CF
5 Permanently turning off CheckFree=TASK_CANCEL_CHECKFREE
3 Use financial institution e-mail
4 Creating an e-mail message=TASK_EMAIL_CREATE
4 Inquiring about an online payment from the E-mail tab=TASK_PMT_INQUIRY_BY_EMAIL
4 Reading e-mail=TASK_EMAIL_READ
4 Deleting an e-mail message=TASK_EMAIL_DELETE
4 Printing e-mail=TASK_EMAIL_PRINT
3 Contact my financial institution
4 Getting information about participating financial institutions=TASK_ONLINE_FIND_FI_INFO
4 Checking for available services and fees=TASK_ONLINE_FIND_FI
4 Visiting a financial institution's Web site=TASK_VISIT_FI_WEBSITE
4 Applying for online financial services=TASK_ONLINE_APPLY
4 Finding a financial institution's phone number=TASK_FI_PHONE
4 Creating an e-mail message to my financial institution=TASK_EMAIL_CREATE
4 Finding out if an online payment has been made=TASK_PMT_INQUIRY
4 Finding out if an online transfer has been made=TASK_XFERS_COMPLETED
4 Canceling an online service=TASK_ONLINE_CANCEL
2 Analyze my financial picture
2 Get the most from reports and graphs
3 Work with categories
4 In transactions
5 Assigning a category to a transaction=TASK_USECAT
5 Assigning more than one category to a transaction=TASK_SPLIT
5 Changing the category of a group of transactions=FAQ_CHANGECAT
4 Make changes to single categories
5 Setting up a new category=TASK_SETUPCAT
5 Changing a category's definition=TASK_EDITCAT
5 Tracking tax-related expenses=TASK_TAXCATEGORIES
5 Merging two categories=TASK_MERGECATS
5 Turning a category into a subcategory=TASK_DEMOTECAT
5 Turning a subcategory into a category=TASK_PROMOTESUBCAT

5 Moving a subcategory to a different category=TASK_MOVESUBCAT
5 Deleting categories=TASK_MANAGEDELCAT
4 Adjust groups of categories
5 Adding groups of categories to an existing file=TASK_MANAGECAT
5 Transferring categories to a new file=QUICKTIPS_CATEGORY_TRANSFER
5 Looking at all transactions that use a category=TASK_REPORTCAT
5 Printing a copy of the Category & Transfer list=TASK_PRINT_REPORT
3 Group categories with category groups
4 Setting up category groups=TASK_SETUP_SUPERCATS
4 Assigning categories to category groups=TASK_ASSIGN_SUPERCATS
4 Renaming category groups=TASK_RENAME_SUPERCATS
4 Deleting category groups=TASK_DELETE_SUPERCATS
3 Use classes to sort transactions
4 Setting up classes and subclasses=TASK_SETUPEDITCLASS
4 Assigning a class to a transaction=TASK_USECLASS
4 Changing a class=TASK_CHANGECLASS
4 Deleting a class=TASK_DELETECATCLASS
4 Looking at all transactions that use a class=TASK_REPORTCLASS
4 Printing a copy of the Class list=TASK_PRINT_REPORT
3 Work with reports of my data
4 Create a report
5 Creating an EasyAnswer report=INTRO_EZREPORT
5 Looking at sample reports=INTRO_SAMPLEREP
5 Creating a standard report=TASK_STANDREP
5 Creating QuickReports=TASK_REP_QUICK
5 Reporting on transactions used in a register=TASK_REGISTERREPORT
5 Changing the way reports work=TASK_OPREPORT
4 Modify a report
5 Changing the title, date range, or accounts to
include=TASK_CHANGEDATAONREPORT
5 Adjusting report column widths=TASK_CHGREPORTCOL
5 Displaying more columns onscreen=QUICKTIPS_REPORT_COLUMNS
5 Viewing more detail in a report=TASK_REPORT_QUICKZOOM
5 Customizing a report=TASK_CUSTOMIZEAREPORT
5 Limiting the transactions included in a report=TASK_FILTER
5 Creating a report on selected categories=TASK_SELITEM
5 Creating a report on selected accounts=TASK_SELACCT
5 Reviewing your data at the end of the year=TASK_CLOSEOUT
4 Memorize a report for later use
5 Memorizing a report=TASK_MEMORREP
5 Recalling a memorized report=TASK_MEMREP
5 Renaming a memorized report=TASK_RENAMEMEMREP
5 Deleting a memorized report=TASK_DELETEMEMREP
4 Print a report
5 Preparing a printer to print reports=TASK_PRINTREPORT_SETUP
5 Printing a report=TASK_PRINT_REPORT
5 Changing the font for reports=TASK_SETUPPRINTER
5 Changing the way reports work=TASK_OPREPORT
4 Sending report data elsewhere
5 Copying Quicken report data to other programs=TASK_COPY_TO_CLIPBOARD_TABS
5 Transferring tax report data to a tax program=TASK_TAXEXPORT
5 Printing a report to a file=TASK_DISKREP
3 Work with graphs
4 Create a graph
5 Creating an EasyAnswer graph=INTRO_EZREPORT
5 Creating a customized graph=TASK_GRAPH_INCOME
4 Change a graph

5 Customizing a graph after you've created it=TASK_CUSTOMIZEAGRAPH
5 Seeing more detail in a graph=TASK_GRAPH_QUICKZOOM
5 Changing the way graphs work=TASK_GRAPH_PREF
4 Print a graph
5 Preparing a printer to print graphs=TASK_PRINTREPORT_SETUP
5 Printing a graph=TASK_GRAPH_PRINT
5 Speeding up graph printing on a PostScript printer=QUICKTIPS_GRAPH_POSTSCRIPT
5 Speeding up graph printing on a laser printer=QUICKTIPS_GRAPHS_LASER
5 Changing the font for graphs=TASK_SETUPPRINTER
4 Memorize and recall a graph
5 Memorizing a graph=TASK_MEMORIZEGRAPH
5 Recalling a memorized graph=TASK_RECALLGRAPH
5 Renaming a memorized graph=TASK_RENAMEGRAPH
5 Deleting a memorized graph=TASK_DELETEGRAPH
3 View my finances at a glance
4 Using the My Finances page=HELP_HIGHLIGHTS_CENTER
4 Selecting what to view=TASK_SELECTSNAPSHOTTYPE
4 Creating a new view=TASK_CREATESNAPSHOTPAGE
2 Track loans and mortgages
3 Setting up a loan=REF_AMORT2
3 Refinancing a loan=TASK_LOAN_REFINANCE
3 Deleting a loan I've paid off or refinanced=TASK_LOAN_DELETELOAN
3 Make loan payments
4 Making a loan payment=TROUBLE_AMORT_MEMLIST
4 Making additional prepayments of principal=TASK_LOAN_PAYMORE
4 Deleting a mistaken loan payment=TASK_LOAN_DELMISTAKE
4 Changing the loan payment method=TASK_LOAN_CHANGEPAYMENT_METHOD
4 Changing the loan payee=TASK_LOAN_CHANGEPAYEE
3 Handle different kinds of loans
4 Handling loans with balloon payments=TASK_LOAN_BALLOON
4 Handling zero-interest loans=TASK_LOAN_ZEROINTEREST
4 Handling loans for which you receive payment=TASK_LOAN_RECEIVE
3 Change the terms of a loan
4 Deleting an interest rate=TASK_LOAN_DELINT
4 Changing the interest rate of an adjustable rate loan=TASK_CHANGEINTERESTRATE
4 Creating a report of the interest I've paid on my loan=TASK_CALC_LOAN_INTEREST_PAID
2 Track my credit cards
3 Entering a credit card purchase=TASK_CREDITCARD_CHARGE
3 Entering a credit card payment without tracking details=TASK_CREDITCARDPAY
3 Entering a cash advance=TASK_CASH_ADVANCE
3 Changing the credit card limit=TROUBLE_ACCOUNT_CREDITCARD
3 Setting up a line of credit or equity account=TIPS_LINEOFCREDIT
3 Making Quicken agree with my credit card statement
4 Reconciling a credit card account=TASK_RECONCC
4 Adjusting the register to match a credit card statement=TASK_CCADJUST
2 Track my investments
3 Set up my investments
4 Setting up accounts=REF_WHICHTYPEOFACCOUNT
4 Setting up securities=TASK_SETUPEDITSEC
4 Setting up security types=TASK_SETUPEDITTYPE
4 Setting up investment goals=TASK_SETUPEDITGOAL
3 Enter investment transactions
4 Entering a basic investment transaction=TASK_ADDINVTRANS
4 Entering common investment transactions=IND_POPUP_HANDLINGTRANSACTIONS
4 Using a memorized investment transaction=TASK_USEMEMINVTRANS
4 Reconciling an investment account=TASK_RECONINV

```
4 Estimate capital gains from sales
5 Estimating capital gains=TASK_CGE_ESTIMATE_GAIN
5 Viewing net proceeds of sales=TASK_CGE_VIEW_NET
2 Research my investments
3 Research securities and mutual funds=NEWS_MORE_RESEARCH_TOOLS
3 Track security prices
4 Updating security prices=TASK_CHANGEPRICE
4 Updating security prices via the Internet=TASK_PRICEOL
4 Tracking securities and indexes I don't own=TASK_WATCHLIST
4 Viewing a security's price history/market value graph=HELP_GRAPH_PRICEHISTORY
3 Track securities online
4 Downloading historic prices=TASK_HISTORIC_DOWNLOAD
4 Downloading prices for indexes=add_indices_task
4 Getting news headlines for securities=NEWS_FIRST_DOWNLOAD
3 Analyze investment performance
4 Seeing how my investments are performing=TASK_INVPERFORM
4 Creating reports on my investments=GLOSS_REP_INVEST_DESC
4 Graphing my investments=TASK_GRAPH_INVEST
2 Budget and forecast for the future
3 Budget to reach goals
4 Set up budgets
5 Creating my first budget=TASK_BUDGET_CREATE
5 Moving quickly through a budget=HELP_BUDGET_NAVIGATE
5 Entering amounts based on past transactions=TASK_BUDGET_AUTOCREATE
5 Entering items that occur at two-week intervals=TASK_BUDGET_BIWEEKLY
5 Setting up budget amounts for account transfers=TASK_BUDGET_TRANSFER
5 Creating a budget from your forecast=TASK_FORECAST_TRACK
4 Manage and change budgets
5 Editing budget amounts=HELP_BUDGET_AMOUNTS
5 Using category groups in a budget=TASK_CATDESCRIP
5 Creating additional budgets=TASK_BUDGET_ADDIT
4 Create budget reports and graphs
5 Choosing a budget report to create=TASK_BUDGETREP
5 Graphing my budget performance=TASK_GRAPH_INCOME
4 Print and export a budget
5 Printing a budget=TASK_PRINT_REPORT
5 Copying a budget to a spreadsheet program=TASK_COPYBUDGETTOCLIP
3 See if I can make less or save more
4 Create forecasts
5 Creating a forecast graph=TASK_FORECAST_CREATE
5 Creating a forecast from my budget=QUICKTIPS_FORECAST_FROMBUD
5 Printing a forecast=TASK_PRINTFORECASTS
5 Looking at details behind forecast events=TASK_FORECAST_SHOW_ALL
4 Change a forecast
5 Changing the forecast time period=TASK_FORECAST_TIME
5 Selecting accounts for my forecast=TASK_FORECAST_SELECTACCTS
5 Creating a new forecast item=TASK_FORECAST_CREATEITEM
5 Changing my forecast amounts=TASK_FORECAST_CHANGE
5 Changing an Estimated Item to a Known Item=TASK_FORECAST_ETOK
5 Changing a Known Item to an Estimated Item=TASK_FORECAST_KTOE
5 Deleting a forecast item=TASK_FORECAST_DELETE
4 Compare different forecast scenarios
5 Creating multiple forecast scenarios=TASK_FORECAST_SCENARIOS
5 Saving a forecast projection line=TASK_FORECAST_SAVEPROJ
5 Retrieving a saved graph=TASK_FORECAST_RETRIEVE
5 Comparing two forecast scenarios=QUICKTIPS_FORECAST_COMPARE
5 Creating a budget from my forecast=TASK_FORECAST_TRACK
```

3 Play "what if" with Quicken financial calculators
4 See the formulas behind these calculations=INFO_CALC_FORMULAS
4 Loan calculator
5 Calculating loan amounts=TASK_CALC_LOAN
5 Calculating a six-month loan=TROUBLE_CALC_SIXMO
5 Calculating loan payments=TASK_CALC_LOAN_PAY
5 Prepaying a loan=TASK_CALC_PREPAY
4 Investment savings calculator
5 Calculating a starting amount for my savings=TASK_CALC_INVEST
5 Calculating my regular savings contribution=TASK_CALC_INVEST_CONTRIB
5 Calculating how much I can save=TASK_CALC_INVEST_BALANCE
4 College calculator
5 Calculating a starting amount=TASK_CALC_COLLEGE2
5 Calculating my annual college contribution=TASK_CALC_COLLEGE3
5 Calculating how much my savings will provide=TASK_CALC_COLLEGE1
4 Retirement calculator
5 Calculating a starting amount=TASK_CALC_RETIRE1
5 Calculating my annual retirement contribution=TASK_CALC_RETIRE2
5 Calculating how much retirement income I'll have=TASK_CALC_RETIRE3
4 Loan calculator
5 Calculating the break-even point for a new loan=TASK_CALC_REFINANCE_STEPS
3 Set aside money for a specific purpose
4 Set up a savings goal
5 Setting up a savings goal=TASK_SETUPGOAL
5 Contributing to a savings goal=TASK_TRANSFERTOSAVINGSGOAL
4 Manage a savings goal
5 Withdrawing from a savings goal=TASK_WITHDRAWFROMSAVINGSGOAL
5 Editing a savings goal=HELP_EDIT_SAVINGSGOAL
5 Deleting a savings goal=TASK_DELETEGOAL
5 Reporting on a savings goal=TASK_REPORTGOAL
5 Tracking progress toward a goal=TASK_DISPLAYTOOLBAR
5 Display different goals on the progress bar=TASK_DIFF_GOAL
5 Seeing my actual bank balance=TROUBLE_BANKBAL
3 Manage my credit and debt
4 Find out about credit reports
5 Requesting a credit report from Consumer Info.com=credit_check_request_task
4 Reduce my debt
5 Starting the Debt Reduction planner=debt_reduction_start_task@dbtred.hlp>nav
5 Creating a new debt reduction plan=create_new_debt_plan_task@dbtred.hlp>nav
5 Learning more ways to reduce debt=help_debtreduct_moreinfo@dbtred.hlp>nav
2 Track emergency information
3 Introducing the Emergency Records
Organizer=HELP_ERO_TAB_INTRODUCTION@ero.hlp>nav
