Welcome $\{m://FirstName\}!

SCROLL DOWN TO START TAKING THE POLL

2013 Blue Hen Poll
www.udel.edu/bluehenpoll

Welcome to the 6th annual Blue Hen Poll (BHP), a public opinion survey analyzed by students for students. The BHP research team is an undergraduate research group investigating the opinions of undergraduates at the University of Delaware. Again, the survey is designed by students, for students, and our purpose is to help your opinions be heard.

Participation in the survey is completely voluntary and your responses will be kept confidential. We want to understand your honest opinions and there are no right or wrong answers to the survey questions. We request, but do not require, that you answer every question. That will allow the analysis to be more reliable and meaningful.

The survey results are being collected by an independent research support unit at UD (Information Technologies' Research & Data Management Services, [RDMS]). Your responses will be held by RDMS throughout the survey's field period, after which, RDMS will provide the study team with your anonymous responses, which will be kept secure and confidential. The results of the analysis will only be reported in summary format which will not link the responses to any individual student.

You must be 18 or older to take this survey. By continuing with this survey, you are indicating that you are 18 or older. At any point in the survey, you may choose to stop participating. To leave the study, simply close the web browser before you press the SUBMIT button at the end of the survey. Any responses you previously made after completing a page will be saved.

If you have any questions concerning the study, you may contact Dr. David Wilson (bluehenpoll@udel.edu or 831-1935), Dept. of Political Science and International Relations, University of Delaware. If you have questions about your rights as a subject or about any issues concerning the use of human subjects in research, please contact the Chair, Human Subjects Review Board, University of Delaware (302-831-2136).
The survey should take you between 10 and 12 minutes to complete. The Blue Hen Poll research group appreciates your participation in this important study. We hope that you will find the questions interesting, and attend our public presentation of the results in Trabrant Multipurpose Room C at 12:30pm on the 2nd of May this year.

Sincerely,

The 2013 Blue Hen Poll Research Team
