Wednesday, May 21, 2008

Conference on Child Traumatic Stress

Sponsored by the Division of Child Mental Health Services, DSCYF and the Mental Health Association in Delaware

This full-day conference will be held at Dover Downs Conference Center (8:30 am – 3:30 pm) and will feature:

- Michael Scheeringa, M.D., recognized expert on PTSD in pre-school children presenting on success using TF-CBT with very young children
- Sue Badeau, Executive Director, Philadelphia Commission on Children, parent and foster parent speaking from the parent/caregiver/foster parent perspective
- Special Child Mental Health Awards Luncheon
- Afternoon workshops
- A host of information tables!

We hope you’ll plan to join us for the conference and to celebrate May is Mental Health Month!
