Program Description
This exceptional two-day conference includes a variety of current and cutting edge topics offered in multiple tracks for the critical care health professional: medical/cardiac/pulmonary, emergency/pre-hospital, surgical/neuroscience, and multidisciplinary. Enjoy the option to individualize the conference to your unique learning needs. While in Delaware, take advantage of its Brandywine Valley location and choose your entertainment venue—shopping, gardens, dining, museums, and more.

Christiana Care Health System is proud to present the second annual 21st Century Visions of Critical Care Conference keynote speakers:
