3. Click each link shown for "Email" and "SMS". This will send your login information to your registered email and mobile device as a text message.

Once sent, you'll see a notification for each:

These are examples of the SMS and Email messages sent with the Log In information:

4. As shown below, click the "LINK" to return to the original UDel_Guest registration page. Then select "Sign In"

5. Login with the information provided via Email and SMS and confirm the terms of use. Once logged in, click "Done" to complete the process:
