ARTICLE II
PURPOSE

The purpose of this Agreement is to promote harmonious relationships between the faculty and the administration of the University and to improve the quality of education and to maintain the high standards of excellence at the University of Delaware, and is the sole and exclusive embodiment of all agreements between the University and the AAUP covering wages, benefits and conditions of employment. It is agreed and understood that the intent and purpose at all times shall be the improvement and maintenance of the education, research and related programs of the University and the welfare of the student body. In the furtherance of the purpose of this Agreement, the parties agree to adhere to the Statement on Academic Freedom as approved by the Board of Trustees of the University, May 31, 1979.

It is understood that this Agreement in no way diminishes the responsibility of faculty, of department chairpersons, and of deans, directors and other appropriate administrative officials for the exercise of academic judgement.

Should any conflict exist between the provisions specifically
set forth in this Agreement and policies and procedures of the University, the provisions of this Agreement shall be controlling.

ARTICLE III
RECOGNITION

3.1 The University recognizes the AAUP (Delaware Chapter) as the sole and exclusive bargaining representative as certified by the Department of Labor, State of Delaware, in respect to matters concerning wages, salaries, hours, vacations, sick leave, grievance procedures, sabbatical leaves and other terms and conditions of employment as specifically set forth in this Agreement, for all employees of the University in the collective bargaining unit designated by that certification dated May 12, 1972, as follows: All full-time employees who are regular members of the voting faculty of the University of Delaware under the Bylaws and whose appointments are confirmed by the Board of Trustees and no others.

Excluded from the collective bargaining unit are: All administrative officers of the University, including department chairpersons, all administrative and professional staff, Center for Counseling and Student Development staff, all part-time faculty or adjunct faculty members, visiting faculty and all other professional employees not holding faculty rank, all nonprofessional employees and all supervisory employees.

3.2 This recognition covers all full-time members of the voting faculty who are administratively assigned to the following facilities of the University based on their participation in the collective bargaining representative election conducted by the Department of Labor, State of Delaware, on May 10 and May 11, 1972:

1. Newark Campus.
2. Georgetown – Full-time University faculty at the Experimental Station, Georgetown; full-time University faculty in the College Parallel Program at the Southern Branch, Delaware Technical and Community College.

4. Wilmington/Dover – Full-time University faculty in the University Parallel Program at the Northern Branch, Delaware Technical and Community College, and Terry Campus.

3.3 Management of the University
The AAUP recognizes that, except as hereinafter specifically provided, the operations and administration of the University, including but not limited to, the right to make rules and regulations pertaining thereto, shall be fully vested in its board and the President, as the executive agent of the Board of Trustees and the chief administrative officer of the University, and their duly designated representatives. Except as hereinafter specifically provided, nothing herein stated shall be construed as a delegation or waiver of any powers or duties vested in the Board or any administrator by virtue of any provision of the laws of the State of Delaware or the Charter of the University.

ARTICLE IV
AAUP MEMBERSHIP

Professional Dues Deduction
During the term of this Agreement, the University agrees to deduct monthly membership dues, proportionately each pay period, from the salaries due all members who individually and
voluntarily give the University written authorization to do so on the "Authorization of Payroll Deduction of Membership Dues" form attached hereto as Appendix "A." The AAUP assumes the responsibility to obtain and deliver to the University said written authorization, or notices of revocation, except the University will have no obligation to deduct or remit the dues payable for the account of any faculty member whose dues deduction authorization form reaches the payroll department less than fifteen (15) calendar days before the semimonthly pay day for which dues are to be deducted. The AAUP shall transmit written notices of revocation to the University not more than thirty (30) days and not less than fifteen (15) days prior to the expiration date of the current "Authorization of Payroll Deduction of Membership Dues" form. The University shall forward such dues for the previous month's salaries to the Treasurer of the AAUP, University of Delaware Chapter, at an address furnished, in writing, to the University by the AAUP on or before the tenth day of each month. The AAUP agrees to release and discharge the University of Delaware, its officers, agents, and employees from any and all liability whatsoever arising as a result of dues deductions. The AAUP assumes full responsibility for the disposition of monies so deducted once they have been remitted to the Treasurer of the AAUP as set forth above.

ARTICLE V
AAUP REPRESENTATIVES AND PRIVILEGES

5.1. The AAUP, its officers and members shall not engage in union activities, hold meetings on University property, or utilize University facilities in any way that interferes with or interrupts normal University operations or the obligations and duties of faculty members as employees.

5.2. The AAUP shall have the right to make reasonable use of University space, facilities, and equipment in accordance with University procedures, for proper activities related to its position as the recognized representative of the full-time voting faculty. AAUP shall pay reasonable costs for the use of space, facilities, and equipment.

5.3. The AAUP shall be entitled to reasonable use of campus mail in accordance with University procedures. The AAUP agrees to limit its use to material directly related to its function as collective bargaining agent, and agrees further that material it distributes by campus mail will not violate reasonable standards of propriety with respect to the language employed.

5.4. The AAUP shall have the right to post at appropriate places on the campus for the benefit of the employees it represents, bulletins and notices relevant to official AAUP business, of a nonpolitical nature, so long as these do not violate reasonable standards of propriety.

5.5. The University shall make available to the AAUP an on-campus, furnished, air-conditioned office suitable for conducting official business. The University shall provide direct phone service in the faculty office of the President of the AAUP.

5.6. The University agrees to provide, at no cost to the AAUP or its members, a complete copy of this Agreement.

5.7. The University agrees to make available to each new faculty member a copy of this Agreement and 2 copies of the "Authorization of Payroll Deduction of Membership Dues" form.
5.8 Four members of the AAUP bargaining unit will be given one three-credit course reduction or an equivalent workload reduction for each full semester, or major portion thereof, during which they represent the AAUP in collective bargaining. This reduction may occur in the semester(s) during which bargaining occurs or the succeeding one. The AAUP shall make the designations under the provisions of this paragraph and shall inform the University in writing of these designations and the semester during which the reduction shall occur in sufficient time to permit adequate course or equivalent coverage.

5.9 The advice of a majority of the faculty within the department will be required for the appointment or reappointment of the Department Chairperson. The procedures by which this advice is obtained shall be determined by the faculty of the affected department, and shall be consistent with the Procedures for Selection and Appointment of Department Chairpersons and Program Directors, University Policy and Procedures Manual Chairperson's Supplement (No. 1-2, Sept. 1, 1975, pp 1-2 and 7-10).

5.10 The University shall make available to each member of the bargaining unit a copy of the official Faculty Handbook and copies of modifications to the policies and practices contained therein as issued. The University shall create an online computer document containing the Faculty Handbook which is accessible by faculty Chair's Supplement will also be placed on-line after this document is updated and as soon as this project can be completed.

5.11 The University, upon written request of the AAUP, will provide the following information on each bargaining unit member in the format provided in the past: salary history by college, department, rank, sex and length of contract (fiscal year, academic year, or other); employment history, promotion list and benefit participation. Under the latter shall be included each member's Blue Cross/Blue Shield type, major medical type, level of HIAA/CREF and/or Fidelity participation, tuition remission participation and course fee waiver participation. In addition, the University, upon written request, will provide AAUP with the following information: names and departments of new appointments and reappointments with duration of appointment or reappointment, names and departments of faculty promoted and/or granted tenure each year, names of faculty terminated, names of faculty on sabbatical leave each semester, and the average credit-contact hours per semester for each department or college where there are no departments, and individual Academic Activity Reports. These data will also be provided in machine readable form. In addition, the University will provide an annual report to the AAUP summarizing all special salary adjustments awarded under Article 12.8 during the preceding year. The report will indicate the number of special increases granted in each unit and the reason for each of the salary adjustments granted. The University also will provide dental claims payment data and updates of the reasonable and customary charges as these are established by the dental insurance carrier.

Upon receipt of the information, AAUP will have the right to monitor whether or not the University is in compliance with the stated conditions of Articles IX, XI and XII as those conditions relate to individual members of the bargaining unit. Should the AAUP believe that the University is not in compliance with the
provisions of Article(s) IX, XI or XII on the basis of the information provided under the terms of this Article, or has failed to supply sufficient or correct information, then the AAUP may request a meeting with the University within twenty (20) work days after receipt of the information, to discuss and agree upon changes necessary to comply with the Agreement.

If the matter is not resolved, the AAUP may file a grievance concerning the interpretation, application or claimed violation of this Article or Articles IX, XI, XII directly with the Vice President for Employee Relations within forty (40) work days after receipt of the information. If in proceeding with the grievance, additional information is requested by the AAUP of which delivery to the AAUP would necessitate the identification of an individual or individuals, written authorization to release such identifying information must be obtained by the AAUP from the affected bargaining unit member(s). The Vice President for Employee Relations shall inform the President of the AAUP of the name(s) involved, and until the written authorization is obtained, both parties shall preserve the anonymity of the individual(s). The Vice President for Employee Relations shall consider the grievance and shall reply in writing to the AAUP within ten (10) work days after receipt of the appeal. If the AAUP is not satisfied with the written decision of the Vice President for Employee Relations, it may file a written appeal within fifteen (15) work days as provided in Step 4 of the grievance procedure.

5.12 In those departments where University service is used as a criterion for faculty evaluation, AAUP service may be considered as an activity appropriate to that category.

ARTICLE VI
BARGAINING UNIT MEMBERSHIP: LIST OF UNIT

The University will, within fifteen (15) days of the close of the fall semester, transmit to the AAUP a list stating the name of each faculty member in the unit, and will, by the fifteenth (15th) day of the month following the effective date of any changes, send the AAUP a list of such changes. Should the AAUP disagree with such lists, it may request a meeting with the University, provided such request is made within seven (7) work days, to discuss and agree upon changes in the membership of the bargaining unit. A grievance by a member of the bargaining unit or by the AAUP concerning the interpretation, application or claimed violation of the provisions of this Article may be introduced directly into Step 3 of the Grievance Procedure.

ARTICLE VII
NO STRIKES OR LOCKOUTS

The AAUP and the University subscribe to the principle that any and all differences under this Agreement be resolved by peaceful and legal means without interruption of the University program. The AAUP, therefore, agrees that neither it nor any of its officers, agents, employees, or members will instigate, engage in, support or condone any strike, work stoppage, or other concerted refusal to perform work by any employees in the bargaining unit during the life of this Agreement. The University agrees that there shall be no lockout during the life of this Agreement.
ARTICLE VIII
GRIEVANCE PROCEDURE

8.1 A grievance is defined as any dispute or difference concerning the interpretation, application or alleged violation of any provision of this Agreement. In addition, if an administrative action is taken which is not in accordance with the procedure required by the policies specified in Article XVI, Section 16.1, such alleged procedural error shall be grievable. Complaints or problems related to terms or conditions of employment which are not grievances as defined above may be processed through Steps 1 and 2 of this Grievance Procedure. If the complaint is not resolved after Step 2, it may be appealed to the University Senate Review Committee. This Committee is advisory to the Vice President for Academic Affairs whose decision in such cases is final and binding. Every attempt shall be made by both parties to resolve grievances arising under this Section speedily and informally by meetings between those directly affected.

A grievant must initiate action under the appropriate step of the Grievance Procedure, in writing, within twenty-five (25) work days of the event which gives rise to the grievance or within twenty-five (25) work days after knowledge of the event is obtained or reasonably should have been obtained. For purposes of calculating time periods under the grievance procedure, University holidays, Saturdays, and Sundays shall not be counted as work days. Likewise, the periods encompassing Winter and Summer Session shall not be counted as work days unless failing to do so places an undue burden on either party or unreasonably delays the resolution of the grievance. Time limits are to be adhered to; however, they may be extended by mutual agreement of the parties in writing. It is the intention of the parties to agree to such extensions when they are justified by good and sufficient reason.

The written grievance must include (1) a statement of the action being grieved; (2) reference to the relevant articles of the collective bargaining agreement or Faculty Handbook and adequate identification of the specific past practices relied upon, if any; and (3) the remedy or relief sought. Upon request by the grievant, the affected administrator shall provide information relevant to the action being grieved. Any dispute as to requests for such information shall be resolved by the Vice President for Employee Relations.

The grievant shall be apprised of the bases upon which actions are taken during the grievance procedure. Evidence introduced at any step of the grievance procedure shall be provided simultaneously to the grievant, the administration, and when applicable, the members of the hearing panel.

8.2 A grievance filed by an aggrieved member of the bargaining unit of the AAUP shall be handled in the following manner:

Step 1: The grievance shall be presented in writing and signed by the grievant in the first instance to the Chairperson (if the grievant is in an administrative unit with no Chairperson, this step is omitted). The Chairperson shall make every effort to meet promptly with the grievant and shall address the issues raised by the grievance and the appropriateness of the remedy sought. The Chairperson shall reply in writing within seven (7) work days of this meeting, or within fifteen (15) work days of the receipt of the grievance, whichever period is shorter. Copies of the response shall be sent to the AAUP, the Dean or Director,
and the Vice President for Employee Relations.

Step 2: If the grievant is not satisfied with the response, he or she may file a written appeal to the Dean or Director within seven (7) work days after receipt of the response at Step 1, with copies to the Chairperson, AAUP, and the Vice President for Employee Relations.

The Dean or Director shall consider the appeal and any relevant information relating to the appeal, and shall reply in writing within ten (10) work days after meeting with the grievant and Chairperson, to discuss the merits of the claims raised by the appeal and the appropriateness of the remedy sought. Copies of the decision shall be sent to the AAUP, the Chairperson, and the Vice President for Employee Relations.

Step 3. If the grievant is not satisfied with the decision at Step 2, the grievant may appeal in writing (with copies to the AAUP, the Dean/Director, and the Chairperson) to the Vice President for Employee Relations within fifteen (15) work days after receipt of the Step 2 decision. The Vice President for Employee Relations, sitting with two members of the faculty selected in the manner provided in Section 8.3, shall conduct a hearing within twenty (20) work days after receipt of the appeal. At least five (5) days prior to the hearing date, the grievant and the administrative representative presenting the opposing view shall each submit to the Hearing Panel all documentary evidence on which they intend to rely, together with a written statement summarizing their positions.

The hearings shall be conducted with concern for due process. The grievant and the administrative representative shall be afforded the opportunity to testify, to call witnesses, and to introduce relevant documentary and other evidence in his/her behalf, as well as to confront and cross-examine all witnesses. The Vice President for Employee Relations, as well as the faculty members sitting with him/her, shall also have the right to question all witnesses.

The administration will, insofar as it is possible for it to do so, secure the cooperation of necessary witnesses. Where a witness cannot or will not appear and where it is determined that the interests of justice require admission of his/her testimony, the Vice President for Employee Relations will identify the witness and, if possible, disclose his/her statement and provide for interrogation. Testimony and arguments made during the hearing shall be recorded, and the tape together with all documentary and other evidence admitted during the hearing shall be preserved for use as warranted if an appeal is taken to Step 4.

After discussing the matter with the hearing panel to determine if there is a consensus opinion which can be agreed upon, the Vice President for Employee Relations shall render his/her decision on the appeal. In writing, within ten (10) work days after the hearing with copies to the grievant, the AAUP, the Dean or Director, and the Chairperson, either or both of the faculty members sitting on the hearing panel may, if they so choose, prepare a separate opinion stating his/her views, which opinion shall be appended to the decision of the Vice President for Employee Relations. It is understood that the Vice President for Employee Relations is not bound by the opinion of either or both faculty members on the panel.

Step 4. If the grievant is not satisfied with the decision of the Vice President for Employee Relations and the matter involves a
grievance as defined in 8.1 above, and if the AAUP concurs, the AAUP may file a written appeal within fifteen (15) work days to the American Arbitration Association (AAA) for binding arbitration under its rules. The arbitration shall be by a neutral arbitrator selected under AAA rules, and the decision of the arbitrator shall not modify, change, add to, or subtract from any provision of this Agreement. The costs of arbitration by the AAA and its impartial arbitrator will be borne equally by the parties, and each party shall bear the costs of the presentation of its case.

8.3 Within twenty (20) work days after the signing of this Agreement, the AAUP and the administration will each prepare a list of ten (10) members of the bargaining unit willing and able to serve with the Vice President for Employee Relations in hearing grievances under Step 3. In the event that a grievance is taken to Step 3, the AAUP shall immediately select one person from the list prepared by the administration, and the administration shall select one person from the list provided by the AAUP. The two faculty members shall then sit with the Vice President for Employee Relations to hear the grievance as provided in Step 3. A faculty member chosen for the Hearing Panel shall disqualify himself or herself if any personal or professional conflict of interest would prohibit that person from reviewing the merits of the grievance fairly. Such faculty member, if he or she so chooses, need not disclose the nature of the conflict. Under any circumstances, the fact that the grievant is a faculty member or affiliated with a particular college, department, or unit shall not, in and of itself, serve to disqualify another faculty member from hearing the matter. Should an individual disclose that a conflict exists which would prohibit the fair hearing of the appeal, either the grievant or the administrative representative may disqualify that individual, and another appointment shall be made.

8.4 Any written decision or written answer to a grievance made at any step which is not appealed to the succeeding step within the time limits provided, or such additional period of time as may be mutually agreed upon in writing by the parties to this Agreement, shall be considered a final settlement and such settlement shall be binding upon the grievant(s) and the parties to this Agreement. If a written decision or written answer to an appeal is not rendered by an administrator within the time limits specified in this Article, the grievant may take the matter to the next step.

8.5 At no step in the procedure shall a settlement be reached which is inconsistent with the provisions of this Agreement, unless both the administration and AAUP concur in writing.

8.6 No provision of this Article shall infringe upon the right of the AAUP to act as the sole and exclusive Collective Bargaining Agent as provided in Article III - Recognition, of this Agreement.

8.7 Two or more members of the bargaining unit within the same college or department alleging the same grievance concerning the interpretation, application, or claimed violation of any provision of this Agreement may file one grievance directly at Step 2 of the Grievance Procedure within the time limits set forth in Section 8.1 above.

8.8 Two or more faculty members from different colleges alleging the same grievance concerning the interpretation, application, or claimed violation of any provision of this Agreement
Agreement may file one grievance directly at Step 3 of the Grievance Procedure within the time limits set forth in Section 8.1, above.

8.9 The AAUP may file a grievance in writing concerning the interpretation, application, or claimed violation of any provision of this Agreement which deals with rights granted to AAUP including the provisions of Article 5.1.1. Such grievance shall be filed directly with the Vice President for Employee Relations within the time limits set forth in Section 8.1, above. The Vice President for Employee Relations shall consider the grievance and shall reply in writing to the AAUP within fifteen (15) work days after receipt of the appeal. If the AAUP is not satisfied with the written decision of the Vice President for Employee Relations, it may file a written appeal within fifteen (15) work days as provided in Step 4, above.

8.10 If a grievance is the result of an action of an administrator above the level of department chairperson, the grievant may initiate his/her grievance at the administrative level where the action was taken or at Step 3. If the grievance results from the action of the President, it may be initiated at Step 3 or Step 4. Grievances under this section shall be initiated within the time period set forth in Section 8.1, above.

8.11 The AAUP will be notified of all meetings and hearings which take place in the processing of a written grievance and shall have the right to have a designee present at all such meetings and hearings. The designee of the AAUP may represent the grievant, act as his/her advisor or as an observer, at the option of the grievant. The AAUP will be notified by the appropriate administrator at each stage of the grievance procedure and meetings will be scheduled at a mutually convenient time for all parties. If any member of the bargaining unit designates in writing the AAUP as his or her representative for purposes of handling a specific grievance, the AAUP may thereafter act in his or her behalf in any aspect of the grievance procedure so designated.

**ARTICLE IX**

**PERSONNEL BENEFITS**

9.1 During the term of this Agreement, the University agrees to implement and maintain the flexible benefits program "UD Lets U Decide." The University-funded portion of this program shall be maintained by the University during the life of this agreement so as to permit eligible faculty to buy back benefits equivalent to those currently provided in the following areas:

1. Medical/Surgical (with major medical)
2. Total Disability
3. Life Insurance
4. Dental Program

The cost of the individual's portion of this program shall be subject to the standard rate adjustments applicable to the benefits selected by the eligible faculty member. Additional benefits to be provided by the program will be recommended by the Committee on Benefit Alternatives to the University Administration.

9.2 Mortgage Loans - In addition to the mortgage loans currently provided bargaining unit members, the following shall apply: If a bargaining unit member who has been employed by the University for ten years or more becomes totally disabled,
while holding a University mortgage loan, the loan shall remain
in effect, so long as the disability continues and the bargaining
unit member continues to live in the mortgaged home. In order
be eligible for the mortgage continuation benefit, the
mortgage payments must be automatically deducted from
monthly disability payments or other guaranteed payments
received by the bargaining unit member. If a bargaining unit
member who is married dies while holding a University
mortgage loan, the loan shall remain in effect either for a
period of one year from the date of death or up to the time the
surviving spouse no longer lives at the house, whichever is
sooner.

9.3 The University will provide medical surgical insurance,

equal to those available to full-time faculty members under the
age of 65.

9.4 Dental Plan

The University shall provide family dental insurance for all
bargaining unit members as an option available under "CD
Let's Decide". If this option is selected, at least the following
benefits will be available, based on reasonable and customary
rates as administered by the carrier.

Type A = 100% coverage on diagnostic and preventive
expenses.

Type B = 80-90% co-pay ($25 deductible) on minor
restorative expenses; extractions and oral surgery; treatment of
gum disease; pulp infection and root canal therapy; and general
anesthesia when medically necessary.

Type C = 50-50% co-pay ($25 deductible) for major
restorative expenses; insulation and repair of bridgework and

Type D = 50-50% co-pay on orthodontics.

There is a $1,000 individual maximum per calendar year for
expenses covered under Types A, B, and C and a $1,000 lifetime
maximum for Type D expenses.

As another option under the flexible benefits program, the
University will provide an alternative "Preferred Provider"
dental benefit program which substantially improves the
current dental benefits available but which requires that
services be provided by a dentist who has subscribed to the
Preferred Provider Program.

9.5 University Retirement Benefits (TIAA/CREF and/or
Fidelity) are provided as follows:

A. Participation with University contributions shall be
optional for eligible faculty age 34 or younger.

B. The University's contribution shall be 11% of base salary
for each eligible faculty member enrolled in the
program.

C. The minimum individual contribution for participants in
the program will be 4% of base salary.

9.6 The University shall assist each bargaining unit member
in meeting the costs of annual health examinations by his/her
own physicians up to a total of $150.00. This total can be
applied to costs of annual physical examinations and optical
examinations/optical fittings and hearing examinations/
hearing aid fittings.

9.7 Employees must apply for the foregoing benefits within
thirty (30) days of employment or as otherwise specified in the
respective plans. Information on the foregoing programs may be obtained at the Benefits Office.

9.8 Nothing herein shall be construed to prevent the University from making changes in the insurance and annuity carriers underwriting the foregoing benefits provided there is no decrease in benefits.

9.9 The University will provide a tuition remission program for eligible faculty spouses and dependents. A total of two family members, including dependent children and the spouse of a faculty member, may each take fifteen (15) credit hours at no charge if enrolled as a full-time matriculated undergraduate student. This benefit shall apply to fifteen (15) credit hours in one semester and may not be divided between semesters. Students who enroll at the University as a result of the tuition remission program shall not be counted for purposes of calculating the maximum faculty ratio under Article XI or in any University enrollment cap. Students who enroll under this program shall be eligible for University housing on a space-available basis after considering the needs of enrolled students paying regular tuition.

9.10 Course Fee Waiver

Bargaining unit members, or the spouse or one dependent may enroll in one academic credit course without payment of fees during each semester and each summer and winter session. Enrollment in academic credit courses involved with study trips or enrollment in noncredit courses will be permitted only if such enrollment does not displace a paying student from the class or add appreciable costs to the University.

9.11 The provisions of this Article shall be subject to the rules and regulations of the various insurance and annuity carriers and applicable University regulations.

9.12 It is specifically agreed that the administration, interpretation and application of the foregoing plans and programs are not subject to the grievance procedure; however, failure to make available the benefits of these plans and programs is subject to the grievance procedure.

ARTICLE X
NONDISCRIMINATION

The University and the AAUP, to the extent of their respective authority and responsibility, agree not to discriminate against a faculty member with respect to the application of the provisions of this Agreement because of race, creed, color, gender, age, religion, national origin, veterans or handicapped status, sexual preference or membership or nonmembership in the AAUP.

ARTICLE XI
FACULTY WORKLOAD

11.1 It is agreed by the parties herein that the provisions of this Article are intended for the sole purpose of maintaining or enhancing the academic quality of the University. Except as set forth in paragraphs 4 and 5, it is further agreed that this Article shall not be used as a basis of limiting faculty workload when
such limitations would interfere with matters of academic judgment.

11.2 Workload is defined as teaching, including instruction in regular academic year courses with assigned credit hours and mutually agreed upon instructional assignments, such as thesis, dissertation, seminar and special problem supervision (workload of faculty members on non-year contracts may include summer session courses); research, including sponsored research; advising; committee work; and University-administered, consultative, and organized activities, not only inside but also outside the University, when such activities by mutual agreement bring benefit and/or prestige to the University. For the period July 1, 1988 through December 31, 1989, the composition of a normal workload within a unit will be consistent with past practice within that unit. Effective January 1, 1990, the composition of a normal workload within a unit will be consistent with the approved workload policy for the unit. Procedural guidelines for establishing an approved workload policy shall be developed by a Committee consisting of six members, three from the AAUP and three from the Administration. These procedural guidelines will be submitted to the Faculty at large for their review and comment. The procedural guidelines developed by the Workload Committee and reviewed and commented upon by the faculty at large shall be approved pursuant to the procedure set forth in Article XVI, Section 16.3, in sufficient time to permit each department to develop and have approved workload policies in place by December 31, 1989.

11.3 Faculty will be on campus as required by their workload.

11.4 The planned student-bargaining unit faculty ratio will not exceed 17.9 full-time graduate and undergraduate* students per member of the bargaining unit in the University as a whole. It is fully agreed that these ratios may vary from unit to unit within the University, and among faculty members.

11.5 Except by mutual agreement the teaching and advisement portion of each individual’s workload will not average in excess of 12 credit-contact hours or in excess of 18 teaching contact hours per week per semester for the academic year.*** nor shall the average teaching load of the members of the unit exceed the past practice within the unit, effective January 1, 1990, the reference to past practice is no longer applicable, and this sentence is revised to read ‘... nor shall the average teaching load of the unit exceed the approved workload policy

* A full-time graduate student is one carrying time 9 or more course credit hours per semester, or a graduate teaching assistant or a graduate research assistant.

Full-time undergraduate students are those carrying twelve (12) or more course credit hours per semester.

*** Each hour spent in scheduled classroom teaching, counts as 1 credit contact hour. Every effort will be made to develop the workload plan harmoniously. Faculty members and department chairpersons (or deans or directors) are encouraged to develop a workload plan on an administered basis, i.e., in any semester teaching duties of individual faculty members may vary within a department (or unit) to permit variations in emphasis on research and other aspects of individual workload provided the total teaching and scholarly needs of the faculty member and the department (or unit) are met.

11.7 In developing a workload plan, courses will be scheduled so that the anticipated enrollment in any course at the 500 level and above will not exceed 35.

The chair or dean shall communicate to each faculty member in his/her administrative unit the basis for the evaluation and shall review with a faculty member, upon request, information which indicates the correspondence between merit pay within the faculty member's department or comparable unit and evaluation ratings within that unit so that the faculty member may know whether his or her merit pay is consistent with the annual evaluation. Anonymous or confidential information shall not be used to evaluate a faculty member without that faculty member having the opportunity to respond to the substance of the information before the evaluation is complete. Merit increases are to be awarded solely on the basis of past performance in research, teaching and service (as referenced in Article 11.2).

12.4 Faculty members who are promoted shall be awarded salary increments in accordance with the following schedule:

12.7 It is recognized that situations may arise which will make it necessary for the University to make special salary adjustments for individual faculty members in addition to the annual increases provided in Articles 12.1 and 12.2. Such adjustments may be implemented by the University under the following situations:

1) when a salary adjustment is necessary to correct a gross inequity;
2) when a salary adjustment is necessary to retain a faculty member at the University;
3) when salary disparities occur, relative to market demands, which adversely affect the quality of an academic unit.

Special salary adjustments implemented in either a department and/or college (or the equivalent unit(s)) shall conform to the procedures established in 12.5.

12.8 Salary increases may not be awarded to members of the bargaining unit other than as required or permitted by Article XII without prior discussion with the University of Delaware Chapter of AAUP.

Both parties, for the lifetime of the Agreement, each agree that the other shall not be obligated to bargain collectively with respect to any subject matter referred to or not referred to or governed by this Agreement, unless the University and the AAUP mutually agree to alter, amend, supplement, enlarge or modify any of its provisions.

ARTICLE XV
PRECEDENCE OF LAWS

In the event any provision of this Agreement, in whole or in part, is declared to be illegal, void or invalid by any court of competent jurisdiction or any administrative agency having jurisdiction, all of the other terms, conditions and provisions of this Agreement shall remain in full force and effect to the same extent as if that provision had never been incorporated in this Agreement, and in such event the remainder of this Agreement shall continue to be binding upon the parties hereto.

ARTICLE XVI

16.1 The parties agree that there is a body of written policies, of practices and interpretations of those policies which govern administrative decisions concerning wages, salaries, hours, workload, sick leave, vacations, grievance procedures, appointment, reappointment, promotion, tenure, dismissal, termination, suspension, evaluation, sabbatical leave, maternity leave, and alcoholism treatment which are not covered by the terms of this Agreement. Such policies and practices, except as changed by procedures agreed to in Article 16.3 below, shall be continued for the term of this Agreement. In the event of a conflict of any such policies or practices with the terms of this Agreement, the Agreement shall prevail.

An administrative action not in accordance with the past application or interpretation of the above policies shall be grievable.

16.2 As used in 16.1 above, the term "practices" refers to those practices of the Office of the President, the Office of the Provost, the Offices of the Vice Presidents, the Offices of the Deans, and the Offices of Department Chairpersons, specified in written policies of the University Administration, of its Board of Trustees, and those Faculty Senate policies which are approved by the President and the Board of Trustees.

The Faculty Handbook shall contain a complete copy of each University-wide policy that governs the practices enumerated in section 16.1 of this Article. Written copies of any policy changes occurring after this Agreement is signed, and made in accordance with the provisions of 16.3 below, shall be made available through annual revisions of the Handbook to all members of the bargaining unit, and shall be made available to the AAUP within ten (10) days of their adoption.

16.3 The parties agree that the Board of Trustees, the University Administration, and the University Faculty Senate, upon approval by the Administration and the Board, have undiminished power and authority to establish, change or eliminate policies. The parties also agree that the privileges of the faculty provided in the Trustee Bylaws to advise upon
proposed policy and to recommend policy also remain
undiminished. In pursuance of these powers and privileges the
parties agree that all proposals by the University Administration
to establish, change or eliminate University-wide policies which
govern the practices enumerated in section 16.1 of this Article
shall be submitted in advance to the Executive Committee of
the University Faculty Senate for referral to the appropriate
faculty review committee and subsequent Senate action before
final Administration action. The Faculty Senate shall act upon
each proposal within sixty (60) days following its submission to
the Executive Committee of the Faculty Senate. Failure to act
within such sixty (60) days shall be considered as Faculty Senate
concurrence with the proposal. The parties further agree that
recommendations to establish, change or eliminate policies
which are initiated by the University Faculty Senate and require
Trustee approval should be submitted by the University Admin-
istration to the next scheduled meeting of the appropriate
Trustee committee provided such recommendations are
submitted to the University Administration at least thirty (30)
days prior to such Trustee Committee Meeting. The University
Administration agrees to inform the President of the University
Faculty Senate as to the action taken on such recommendations
within fifteen (15) days of the Board of Trustees meeting.

16.4 Since in the past, proposals by the Administration to
establish, change or eliminate policies have been presented for
review and comment by faculty committees, the college
senate(s), and the University Faculty Senate, the parties agree
that these procedures shall be followed in the future.

ARTICLE XVII
SAFETY AND HEALTH

provisions for the safety and health of bargaining unit members
in pursuit of their University-recognized professional responsi-

Re: Letter of Understanding

Resulting from 1985 Contract Negotiations

Dear Dr. Bowie:

As a result of the collective bargaining negotiations between the University and the AAUP, the following understandings have been reached:

1. The University administration shall undertake the consideration of the issue of overload compensation and shall seek faculty input into these considerations.

2. The University administration will forward to the AAUP a summary of benefits currently available to retired faculty on a semianual basis.
3. At such time as the University payroll system will permit, faculty members will be able to choose between having deductions made for mortgage payments on a biweekly or monthly basis.

4. The University administration agrees to the establishment of a committee which would include three members of the bargaining unit to review the practical, financial and legal aspects of permitting participants in TIAA/CREF or Fidelity Investments to withdraw all or part of their accumulated contributions and earnings at the time of retirement.

5. At such time as the University payroll system will permit, the faculty will be able to split their investments between TIAA/CREF and Fidelity.

6. Any previous Letters of Understanding which have not been fully implemented will be carried forward.

Sincerely,

Dennis C. Carey
Vice President for Employee Relations
Dear Dr. Present:

This letter sets forth guidelines to assure faculty involvement in matters related to reductions in faculty positions.

1. Reductions in faculty positions proposed as a result of University-wide extraordinary financial circumstances as defined in the Guidelines on Reduction for Financial Reasons, Revised 1981, Policy 302, Paragraph 2, dated July 1, 1981, and the Policy Statement of June 6, 1980, shall be implemented only after the procedures outlined in the "Statement" have been followed.

2. Reductions in faculty positions proposed because of financial considerations, other than University-wide emergencies, shall be implemented only after the department, college, or division faculties most immediately affected have been given the opportunity to participate in planning the reduction. The faculty senate (or faculty committee) of each college shall assist in the development of procedures to be followed at departmental, college, or division levels in planning such reductions, and shall submit a faculty report and recommendation to the faculty senate. The faculty senate shall give its advice and recommendations to the appropriate administrative officials in a timely manner.

3. Reductions in faculty positions proposed as a result of the type of reorganization referred to in Guideline 1, Chapter 2, Principle 2, and Guideline 1, The University of Delaware Faculty and Staff of the Board of Trustees, Revised 1981, shall be implemented only after the recommendations of those bylaws have been met.

Very truly yours,
