Read It!
WATCH IT!

English Language Institute
R/W Read It, Watch It VI

Read It Watch It VI is an upper advanced Reading/Writing class, in which students read popular short stories and novels, and also watch the movies which were made from these books.

This class is a great opportunity to improve your English skills, especially:

- Reading Comprehension (of course!)
- Vocabulary
- Grammar
- Writing
- Understanding of American culture

*In fact,*
Research shows that the best way to acquire a large, academic vocabulary is by reading, a lot!

Reading is also the best way to gain a deeper understanding of how native speakers use written language, and one of the best ways to improve your writing.

The good news is:
READING IS FUN!

The books we read in this class are exciting, funny, suspenseful, touching, and inspiring. Many students have discovered a real love of reading in this class.

You can too.
The movies are pretty cool, too!
