Written Interpretation of Achievement Scale:
Students must meet these objectives at 73% proficiency in order to earn grades of C average or above. Grades are given for Reading, Writing, and Grammar for the Reading/Writing class and for the Listening/Speaking class. Students must earn a grade average of C- or higher in each skill area in order to advance to the next level or to be certified as passing a level. More detailed level/course objectives are available.

At the end of the session, students can:

	Basic	Level I (1)	Level II (2)	Level III (3)	Level IV (4)	Level V (5)	Level VI (6)
Reading	<ul style="list-style-type: none"> Read frequently occurring words Decode unfamiliar words that fit regular spelling patterns Identify main ideas in a beginning reading passage with the help of picture cues Identify recently learned vocabulary in the context of a reading passage 	<ul style="list-style-type: none"> Practice pre-reading activities Develop word-recognition skills Use context to understand new vocabulary Practice scanning for information Recognize the main idea of a beginning ESL reading passage 	<ul style="list-style-type: none"> Develop pre-reading skills Find specific information or targeted vocabulary in a passage Identify the main idea of a high-beginning ESL reading passage Develop vocabulary and vocabulary building skills 	<ul style="list-style-type: none"> Identify the main idea of paragraphs and passages in an intermediate-level text Understand the relationships of ideas within a paragraph Understand the relationships of ideas among paragraphs Identify pronoun referents Guess the meaning of words from the context and word forms 	<ul style="list-style-type: none"> Identify the main ideas in a high-intermediate reading passage Identify the functions of parts of a reading passage Identify the major and minor details of a reading passage Determine the meaning of vocabulary words through context Identify inferences Distinguish fact from opinion Identify the writer's tone Recognize stems and affixes 	<ul style="list-style-type: none"> Identify main ideas, supporting details, and relationships between the two in an advanced-level text Understand and use academic vocabulary and improve the ability to guess vocabulary from context and affix clues Understand the organization of texts and identify cohesive devices Read critically to separate fact, opinion, inference and speculation Recognize and understand figurative language Recognize a writer's tone, purpose and point of view 	<ul style="list-style-type: none"> Recognize the author's point of view and tone Identify the main ideas in a short passage Identify the author's purpose in a college-level passage Differentiate facts, inferences and opinions Use inferences and predictions to understand a passage
