The Language Partner Program
This program is designed for you, our ELI students, to meet American UD students. It is a casual program that allows you to meet your American partner for conversation and to participate in events and activities on campus. It is a great opportunity for you to make new friends and practice your English!

If you would like more information about the program or if you would like a language partner, please e-mail your request to:
elilanguagepartner@gmail.com

The program is volunteer based. This means that UD students must volunteer for the program, and we can only give language partners to ELI students on a first-come, first-serve basis. If there are not enough UD students signed up for the program, then it takes some time to find a partner for everyone!
