NOTICE TO ALL BIKE RIDERS!

When riding your bike on the road, you must ride your bike in the same direction as traffic and obey the same traffic laws as the drivers of cars are expected to obey. On roads or streets that have a bike lane, the bike lane should be used by riding in the same direction as the traffic. Bike riders not obeying the bike laws will confuse and distract the drivers in cars and cause traffic accidents. Bikes are not to be ridden on the sidewalk, especially when there are any people walking on it. Please ride your bike safely!

Proper usage of the UD Student ID Cards

Students: you cannot lend your ID cards to other students for them to use. If you give your ID card to someone else for them to use on campus, it will be confiscated and you will not get it back until you go to them in person to retrieve it. It is not a good idea to lend it out in the first place, as others might not take as good care of it as you would, and if it was lost, you would have to pay for a new one!
