Describe the rationale for the proposed program change(s):
(Explain your reasons for creating, revising, or deleting the curriculum or program.)

Currently, the Combined 4+1 BS in Early Childhood Education/MS in HDFS: Concentration in Early Childhood Development and Inclusive Education requires students in the 4+1 to complete HDFS 647 Family Partnerships in Early Childhood Care and Education as part of the BS in Early Childhood Education (ECE). HDFS 445 Family, Community and School Partnerships, which had been a required course for the BS in ECE, is waived by taking HDFS 647. Beginning with the fall 2014 catalog requirements, HDFS 445 is no longer required for the ECE undergraduate major. The content of that course will be divided between two new courses, for which there is no equivalent graduate course. For that reason, undergraduate ECE majors in the 4+1 will take either HDFS 601 Theories of Human Development or HDFS 621 Family Studies I: Empirical and Theoretical Perspectives. Both of these courses are required for the MS in Human Development and Family Studies and are frequently offered. The course would fulfill the Focused Elective requirement for the ECE BS. Students in the 4+1 may still take HDFS 647 Family Partnerships in Early Childhood Care and Education as an elective in the “+1” year.
## Program Requirements:
