Academic Program Approval

Submitted by: Jerome Lewis  Phone: 831-1709

Department: School of Public Policy and Administration  Email: jlewis@udel.edu

Date: October 25, 2015

Action: Curriculum Revision of Master of Public Administration (MPA) Program

Effective term: 16F (Fall 2016)

Current degree: Master of Public Administration (MPA)

Proposed change leads to the degree of: Master of Public Administration (MPA)

Proposed name: Not Applicable. Name will remain Master of Public Administration (MPA)

Revising or Deleting:

Undergraduate major / Concentration: Not Applicable
Undergraduate minor: Not Applicable

Graduate Program Policy statement change: Revised MPA Program Policy Statement attached

Graduate Program of Study: Curriculum Revision of MPA Program
Graduate minor / concentration: Not Applicable

Note: all graduate studies proposals must include an electronic copy of the Graduate Program Policy Document, highlighting the changes made to the original policy document.

The current Master of Public Administration Policy Statement (Revised 10/13) has been updated and is being submitted along with document.

List new courses required for the new or revised curriculum. How do they support the overall program objectives of the major/minor/concentrations)?
(Be aware that approval of the curriculum is dependent upon these courses successfully passing through the Course Challenge list. If there are no new courses enter “None”)

There are no new courses. However, UAPP 619-Contemporary Issues in a Global Society (3) will replace UAPP 658- Contemporary Issues in Public Administration (1); UAPP 696-Human Resources Management in Public and Nonprofit Organizations will be increased from two to three credits; UAPP 695-Administrative & Employment Law will be dropped; and UAPP 699-Policy/Management Brief will change from one to two credits.

To accommodate the core curriculum re-alignment noted above our four existing Areas of Specialization (Nonprofit Management; Public Policy and Management; Emergency Management; and Student Designed) will be reduced from six credits to three credits.

Explain, when appropriate, how this new/revised curriculum supports the 10 goals of undergraduate education: http://www.ugs.udel.edu/gened/

N/A

Identify other units affected by the proposed changes:
(Attach permission from the affected units. If no other unit is affected, enter “None”)

None

Describe the rationale for the proposed program change(s):
(Explain your reasons for creating, revising, or deleting the curriculum or program.)
In 2013, our faculty proposed significant revisions to the MPA curriculum that were approved by the Faculty Senate for implementation in 2014. These changes allowed us to more closely align with the instructional model/practices espoused by our international accrediting agency, the Network of Schools of Public Policy, Affairs and Administration (NASPAA). Our MPA Program has maintained full NASPAA accreditation since 1982.

Our academic model emphasizes mission-driven curricular design and competency-focused instruction that highlights the critical links between coordinated course objectives across the curriculum, engaged classroom practices and learning outcomes anchored in academic rigor coupled with a strong professional development orientation for our students.

In 2014, our School of Public Policy and Administration (SPPA) underwent an Academic Program Review (APR) of all our graduate and undergraduate programs. This review included a three-day site visit by external reviewers from North Carolina State University, Florida International University, Brown University and UNC-Chapel Hill. One recommendation from the APR external review team was for closer integration of our graduate academic programming to include creation of a ‘common core’ of courses to be required by both the MPA and the Master of Arts in Urban Affairs and Public Policy Program. Such ‘common core’ courses would not only increase resource efficiencies, but would serve to re-enforce our shared values and goals as stated in our SPPA mission statement.

In spring 2015, our School faculty met in a day-long retreat to reflect on the APR review team recommendations and to articulate the curriculum changes needed to develop a ‘common core’ shared by both the MPA and MA Programs. As noted above, this resulted in these MPA curriculum changes:
- UAPP 619 (3 credits) replaces UAPP 658 (1 credit)
- UAPP 699 is increased from one credit to two credits
- UAPP 696 is increased from two credits to three credits
- UAPP 695 is removed from the MPA curriculum
- Areas of Specialization (Nonprofit Management; Public Policy and Management; Emergency Management; and Student Designed (with Advisor and MPA Program Director approval) are reduced from six credits to three credits.

**Program Requirements:**
(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and include a side-by-side comparison of the credit distribution before and after the proposed change.)

**Areas of Specialization**

- Non Profit Management

**Areas of Specialization**

- Non Profit Management
## Required Threshold Course: UAPP672 Nonprofit Organizations: Scope, Framework and Dynamics

Select at least 6 additional credits from these recommended courses or discuss other course options with your academic advisor. Alternate courses may be substituted with the approval of your academic advisor and documented in UDSIS. Course offerings will vary by semester and faculty availability.

- UAPP 607 – Seminar in Community Development and Nonprofit Leadership
- UAPP 608 – Poverty, Neighborhoods and Community Development
- UAPP 609 – Financial Statement Analysis for Nonprofits
- UAPP 612 – Urban Housing Policy and Administration
- UAPP 639 – Community Development Theory, Concepts and Practices
- UAPP 644 – Grantsmanship and Proposal Writing
- UAPP 673 – Governing Nonprofit Organizations
- UAPP 674 – Strategic Fundraising and Marketing

**TOTAL 6**  

## Public Policy and Management

### Required Threshold Course: UAPP701 Public Policy

Select at least 6 additional credits from these recommended courses or discuss other course options with your academic advisor. Alternate courses may be substituted with the approval of your academic advisor and documented in UDSIS. Actual course offerings will vary by semester and faculty availability.

- UAPP 606 – Local Economic Development
- UAPP 649 – Civil Rights Law and Policy
- UAPP 657 – Health Policy
- UAPP 664 – Case Studies in State and Local Management
- UAPP 687 – State Government: Policy and Management
- UAPP 688 – Government Budgets and Fiscal Federalism
- UAPP 706 – Planning Sustainable Communities and Regions
- UAPP 715 – Media, Citizenship and Public Policy
- UAPP 761 – Conflict Resolution

**TOTAL 6**  

## Emergency Management

### Required Threshold Course: DISA650 Overview of Disaster Science & Management (3)

Select at least 6 additional credits from these recommended courses or discuss other course options with your academic advisor. Alternate courses may be substituted with the approval of your academic advisor and documented in UDSIS. Course offerings will vary by semester and faculty availability.

- DISA 651 – International Comparative Analysis of Disasters
- DISA 670 – Issues in Disaster Response

Revised 02/09/2009 /khs
Policy Statement for the Master of Public Administration (MPA) Program  
School of Public Policy and Administration  
University of Delaware  
(Revised October, 2015)

Part I: Context and Program History
The School of Public Policy & Administration (SPPA) is an academic unit within the College of Arts and Sciences, University of Delaware, and offers both undergraduate and graduate degrees. The undergraduate programs are the Bachelors in Organizational and Community Leadership, and the Bachelors in Public Policy. The graduate programs are the Doctor of Philosophy in Urban Affairs and Public Policy, the Master of Arts in Urban Affairs and Public Policy, the Master of Science in Disaster Science & Management, the Doctor of Philosophy in Disaster Science & Management, the Master of Arts in Historic Preservation, and the Master of Public Administration (M.P.A.). In addition SPPA offers three accelerated/combined degree (4+1) programs for undergraduate Public Policy majors: the 4 + 1 B.A. in Public Policy and M.A. in Urban Affairs and Public Policy, the 4 + 1 B.A. in Public Policy and Master of Public Administration (MPA), and the 4 + 1 B.A. in Public Policy and M.A. in Historic Preservation.

The M.P.A. program was authorized as a permanent degree by the Board of Trustees in May 1976. It is mission-driven and competency-focused program grounded in a rich history of research and public service coupled with an instructional philosophy of sustained community engagement, ethical behavior and the development of capable, competent, committed professionals. These same values reflect the expectations and requirements of our international accreditation organization, the Network of Schools of Public Policy, Affairs and Administration (NASPAA).

M.P.A. Program Mission Statement

“The mission of the Master of Public Administration (MPA) Program is to provide, diverse, talented graduate students with specific competencies for leadership and management, including the knowledge, skills and values essential to accountable and effective practice. The MPA program contributes directly to solutions to public challenges of our times through research and public service projects that involve students in experiential learning. The program also seeks to develop relationships with practitioners, fostering a professional focus and approaching public administration and nonprofit management and furthering the values of the field.”
The M.P.A. prepares students for career positions in government and nonprofit organizations and private sector companies that work closely with these agencies. It is the preferred professional degree for anyone whose ambition is a career in public or nonprofit management as well as for-profit organizations serving these sectors.

The M.P.A. program is usually completed in two years of full-time study. There is also a part-time accelerated program known as the Career Enhancement Option (CEO), designed for working professionals with at least three years of experience. CEO students can complete their degree requirements in about three and one-half years. An on-line version of the M.P.A. Program is also offered.

The M.P.A. program is administered by the M.P.A. director, operating under guidance specified in the documents "M.P.A. Governance" and the "Academic Reorganization of the College of Urban Affairs and Public Policy".

NASPAA ACCREDITATION. The M.P.A. program has been accredited by the Network of Schools of Public Policy, Affairs and Administration (NASPAA) since 1982 and conforms to all applicable accreditation requirements and governance provisions. Our last NASPAA re-accreditation review occurred in 2012, and the M.P.A. Program is accredited through 2017-2018. NASPAA is the global standard in public service education with 280 members in the U.S. and a dozen countries across the world. It is the membership organization of graduate education programs in public policy, public affairs, public administration, and public & nonprofit management. (See http://www.naspaa.org/about_naspaa/naspaa.asp).

**Part II: Admissions**

The purpose of the admissions criteria is to identify those applicants who can benefit from, and make a distinct contribution to the M.P.A. program. Applicants are sought who show promise of constructive involvement with faculty, staff, and other students in instruction, research, and public service. Consideration is also given to the student's potential for successful completion of his or her graduate program within a reasonable period.

Given its mission, the M.P.A. program seeks students with a mix of interests, backgrounds, and areas of competence and among whose goals are research/service in the government or nonprofit sectors, urban affairs and public policy. To meet its academic and research goals, as well as to be responsive to the multicultural backgrounds of prospective students, the M.P.A. program employs a wide spectrum of criteria in assessing a prospective student's motivation, interest, and ability to perform successfully. No one criterion is the sole basis of an admissions decision. (Approved by Academic Council 7/30/86).
M.P.A. ADMISSIONS POLICY STATEMENT. The M.P.A. Program’s admissions criteria and indicators of these criteria include:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Indicators and Sources</th>
</tr>
</thead>
<tbody>
<tr>
<td>Genuine interest and motivation to pursue graduate study in public administration/urban affairs and public policy; personal objectives, aspirations, and plans are well formulated, ethically based and coherent.</td>
<td>Personal statement by candidate in admission application and/or subsequent communications; personal interviews (telephone conversations when personal interviews are not possible) with members of the M.P.A. faculty and the M.P.A. admissions committee.</td>
</tr>
<tr>
<td>Expectations of sound academic performance in graduate level work.</td>
<td>Review of undergraduate achievement and any previous graduate level work. Particular emphasis on assessing achievement in the context of the quality of the institutions candidate has attended and the trends or patterns in achievement in the last 1 - 2 years of applicant’s program. GRE scores; TOEFL scores, if applicable. Recommendations of faculty, professional associates, community leaders. Reports or research papers written by candidate (published or unpublished).</td>
</tr>
<tr>
<td>Ability to apply previously acquired competencies to problem areas, community, or organizational needs.</td>
<td>Contributions in and nature of professional work experience, volunteer service and/or internships. Assessments by faculty, professionals, and/or community leaders.</td>
</tr>
</tbody>
</table>

Given the professional objectives of the M.P.A. program, the goal of serving students from a wide range of ages, backgrounds, and career stages as well as empirical analysis of prior student admissions and performance, the successful candidate for admission will ordinarily have an undergraduate grade point index above 3.0 and an index of 3.3 or better in his/her major field of study. In addition, the quality and extent of previous related work experience and the motivation to pursue a professional career in the public sector are particularly important.

GRE SCORES. Generally, those admitted for graduate study have scores that are distributed equally on the quantitative and verbal aptitude portions of the Graduate Record Examination (GRE) at or above the 69th percentile and analytical scores of 4.0 or better. GRE scores are viewed in the context of the applicant’s complete record. The School has established no minimum GRE score required for admission.
TOEFL SCORES. International applicants must demonstrate a satisfactory command of English, particularly if English is not their first language. The TOEFL (Test of English as a Foreign Language) is required of all international applicants. A minimum score of 600 (paper-based test), or 100 (TOEFL iBT) is usually required for consideration for admission. TOEFL scores are viewed in the context of the applicant’s complete record. The School has established no minimum TOEFL score for admission.

The M.P.A. program follows University guidelines that allow waiving of the TOEFL exam for those international students who have earned an undergraduate degree in a country where English is the primary language, or if a degree has already been earned in the United States. (See http://www.udel.edu/gradoffice/apply/testscores.html).

CAP PROGRAM. The M.P.A. program participates in the University’s Conditional Admissions Program (CAP) offered in conjunction with the English Language Institute (ELI). Through CAP, the University offers admission to otherwise qualified international graduate students with the condition that they must first improve their English language skills by successfully completing the highest levels of oral and written communications skills training offered by the ELI. Once CAP students meet these English language objectives they begin their regular graduate coursework without submitting a TOEFL score. (See http://sites.udel.edu/eli/programs/cap/).

Admission to the M.P.A. program is competitive. Those who meet stated requirements are not guaranteed admission, nor are those who fail to meet all of those requirements necessarily precluded from admission if they offer other appropriate strengths.

M.P.A. ADMISSIONS COMMITTEE. Applications to the M.P.A. program are evaluated by the M.P.A. committee on admissions. This committee is appointed by the director of the M.P.A. program from among the faculty and consists of at least two members. Decisions of the committee are subject to review and modification by the full M.P.A. faculty and are made on behalf of the full faculty.

ESTIMATES OF PROGRAM ADMISSIONS. The M.P.A. program generally admits 20 - 25 candidates (both full- and part-time) each year. While the great majority of new admissions occur in the fall semester, students may also be admitted to begin their studies in the spring semester.
Part III: Degree Requirements
The 36-credit master of public administration degree is designed to provide professional training for public or nonprofit management careers. The curriculum is divided into four areas:

(1) core subjects,
(2) specialization courses,
(3) internship experience, and
(4) policy/management brief or thesis.

All students are required to attain a grade of B- or better in all courses counted towards the M.P.A. degree. In accordance with University policy, students must also maintain a minimum cumulative grade point average of 3.0.

Consistent with NASPAA accreditation standards, the M.P.A. curriculum is designed to focus on the acquisition and development of five universal competencies:

(1) to lead and manage in public governance,
(2) to participate in and contribute to the policy process,
(3) to analyze, synthesize, think critically, solve problems and make decisions,
(4) to articulate and apply a public service perspective, and
(5) to communicate and interact productively with a diverse and changing workforce and citizenry.

REQUIRED COURSES. The MPA core curriculum has been developed to support these five NASPAA universal competencies and includes the following required courses:

UAPP 619 Contemporary Issues in A Global Society (3)
UAPP 684 Performance Management & Program Evaluation (3) OR
UAPP 702 Research Methods in Urban and Public Policy (3)
UAPP 689 Information Technology and Management of Public & NP Orgs (3)
UAPP 690 Seminar: Public Administration (3)
UAPP 691 Quantitative Analysis in Public & NP Sectors (3)
UAPP 693 Economics in Public & NP Sectors (3)
UAPP 694 Financial Management in Public & NP Sectors (3)
UAPP 696 Human Resources in Public & NP Sectors (3)
UAPP 697 Leading Organizations in the Public & NP Sectors (3)
UAPP 699 Policy/Management Brief (2).
SPECIALIZATION. A student will choose an area of specialization prior to the third semester of full-time study. There are four specialization options available through the M.P.A. program:

(1) Nonprofit and Community Leadership,
(2) Public Policy and Management,
(3) Emergency Management, or,
(4) Individualized Specialization developed by the student in conjunction with his/her advisor and with the approval of the M.P.A. director.

Each specialization area consists of a minimum of 6 credit hours, including a required three-credit ‘threshold course’ and an additional 3 credits approved by the academic advisor. The M.P.A. faculty have designated the following as required ‘threshold courses’:

(1) Nonprofit and Community Leadership - UAPP 672 Nonprofit Organizations: Scope, Framework and Dynamics (3),
(2) Public Policy and Management – UAPP 701 Public Policy (3),
(3) Emergency Management – DISA 650 Overview of Disaster Science and Management (3),
(4) Individualized Specialization – Developed by the student in conjunction with his/her advisor and with the approval of the M.P.A. director.

The additional 3 credits for each specialization are to be selected from SPPA course lists developed by the M.P.A. director in conjunction with the M.P.A. faculty.

Information on areas of specialization is available in the School Administration Office and on the School website. (See http://www.sppa.udel.edu/content/mpa-program-specializations).

WAIVERS OF REQUIRED COURSES. Courses required in the M.P.A. may be waived if comparable courses or the requisite skills are, or will be, acquired elsewhere under an approved plan of study. To waive a required course, a student must have a petition to waive approved and signed by her or his advisor and a person currently responsible for teaching a course. A record of the signed waiver shall be sent to the program director and included in the student’s file. Students must petition to substitute one course for each one that is waived.

Waivers cannot be used to reduce the total number of credit hours (36) required for the completion of the M.P.A. degree. The petition must be approved by the student's advisor and a record of the substitution sent to the program director to be included in the student's file.
With the approval of the M.P.A. program director, a maximum of 9 credits may be waived for a matriculating student in the M.P.A. program who has completed comparable graduate level M.P.A. courses with a grade of a B- or higher in a NASPAA accredited (or equivalent graduate program) as part of their undergraduate program.

INTERNSHIP EXPERIENCE. An internship is required for the M.P.A. program unless a student receives permission from the internship coordinator and the M.P.A. director to waive this requirement. The internship requirement is fulfilled through UAPP 860 Internship Seminar (1).

The internship involves a practical experience in an operating agency, generally outside of the academic departments of the University. The internship requires a minimum of 450 hours of full-time, professional level work experience. The major purposes of the internship program are:

(1) To provide an opportunity for the student to apply knowledge and skills acquired in the academic program,
(2) To provide an opportunity for the student to develop appropriate skills and experience to enhance chosen fields of specialization,
(3) To assist the student in developing experience that will assist him/her in securing the best possible full-time employment upon completing the requirements for the degree.

The internship placement must be planned with, and receive the approval of, the internship coordinator. During the internship the student carries out work assignments under the direction of a designated agency supervisor and fulfills academic requirements under the direction of the internship coordinator.

WAIVER OF INTERNSHIP REQUIREMENT. M.P.A. students with substantial prior professional experience may petition to waive the internship requirement. Substantial professional experience is interpreted as at least 2 years of full-time work in a public or nonprofit organization where the individual has responsibility for client service, program administration or policy development and implementation. Students who believe they meet this standard should contact the internship coordinator.

All M.P.A. internship policies, procedures, and evaluations are carried on under the direction and approval of the M.P.A. faculty.
POLICY/MANAGEMENT BRIEF OR OTHER WRITING REQUIREMENT. This requirement may be fulfilled in one of the following ways:

(1) By writing and defending a 2 credit Policy/Management Brief (UAPP 699) which may be the product of:
   a) research associated with a student's internship responsibilities,
   b) research associated with a student’s area of specialization,
   c) research associated with independent study, or
(2) By writing and defending a master's thesis (UAPP 869) for 6 credits

Detailed policies for the Brief are available on the School’s website. (See http://www.sppa.udel.edu/sites/sppa.udel.edu/files/pdf/PolBrf%20Std%20Expl%20Statmnt%20REV92811.pdf).

THESIS OPTION FOR THE M.P.A. PROGRAM. Under circumstances deemed appropriate for the student, and with approval of the student's advisor and the appropriate program director, a thesis may be submitted in lieu of the policy/management brief. The thesis is to be written under the supervision of a three-person faculty committee chaired by the student's principal advisor in his/her area of specialization and defended in an oral examination before this three-person faculty committee. The thesis committee should provide guidance throughout the process of topic selection, research, writing, and evaluation. Successful oral defense of the thesis, as certified by the student's advisor to the M.P.A. program director, enables a recommendation to be made that the M.P.A. degree be conferred. General guidelines and regulations governing the format, development, and presentation of the thesis must conform to the University requirements reflected in the Office of Graduate and Professional Education Thesis Manual. Detailed policies for those choosing to write a thesis are available on the School’s website. (See http://www.sppa.udel.edu/content/administrative-matters).

STUDENT ADVISEMENT IN THE M.P.A. PROGRAM. All students entering the M.P.A. program are assigned a faculty advisor by the M.P.A. program director, or the student may choose his/her advisor if the student has a preference. The faculty advisor is responsible for monitoring the progress and performance of the student throughout their course of study with the M.P.A. program. The faculty academic advisor may, or may not, also serve as the student’s advisor for their policy/management brief. A student may request a change of academic advisor at any time by submitting the appropriate form from the School website. (See http://www.sppa.udel.edu/files/pdf/mpa-change-advisor.pdf).
OVERALL STUDENT ASSESSMENT. At the end of each semester the grades of M.P.A. students are reviewed by the program director and the M.P.A. faculty. All students are expected to maintain a 3.0 cumulative index (4.0 scale) to remain in good academic standing. Substandard performance may result in a recommendation from the director of the M.P.A. program in consultation with the student's advisor to the full M.P.A. faculty that actions be initiated in accord with general University guidelines regarding probation, warning, and termination.

At the end of each academic year, the M.P.A. program director and the M.P.A. faculty review the performance of all students in the program and, if needed, initiate appropriate corrective actions based on program and University guidelines.

Part IV: Plan of Study
All M.P.A. students, in consultation with their academic advisor, are required to complete and periodically review the attached Plan of Study form (Attachment 1). Each successive revised form becomes part of the student’s official file.

Part V: Financial Aid
Financial aid is available to M.P.A. students in the form of graduate assistantships, research assistantships, tuition scholarships as well as University graduate scholar awards, assistantships and fellowships. The primary type of aid awarded are research assistantships (RAs) provided to those working on public service or research projects in one of the SPPA affiliated centers, or other University office. Detailed information on financial aid options, along with the applicable application processes and funding policies as approved by the Dean of the College of Arts and Sciences. (See http://www.sppa.udel.edu/content/financial-aid.) Awards are competitive and merit-based.

Applications and nominations for financial aid for new students are generated by the M.P.A. admissions committee when reviewing the Supplementary Information Form submitted as part of the application packet. These are transmitted as recommendations to the director of the M.P.A. program and, in turn, to the School director for final disposition. Funding commitments are made through consultation between the M.P.A. director, the School director, the directors of SPPA affiliated centers and faculty who provide graduate stipend support.

Part VI: Program Assessment
The M.P.A. Program is reviewed regularly by the School director, the M.P.A. program director and the M.P.A. faculty to assure that the program is meeting its objectives and effectively serving the students.
OTHER ASSESSMENT ACTIONS: Each spring graduating students are invited to complete an anonymous online Exit Survey to share their views on M.P.A. program admission procedures, course offerings, research assistantships, internship experiences, faculty advisement, diversity matters, student support services, School facilities, financial aid and general climate for learning and professional development. Survey results are reviewed extensively by the faculty at the beginning of the next School term and corrective actions taken, as appropriate, through the regular governance process.

In addition, M.P.A. alumni and employers of M.P.A. graduates are polled every 3 years for their distinct views on the program. Finally, as a NASPAA accredited M.P.A. program, every six years we must participate in a year-long self-study process that culminates in a three-day site visit by a NASPAA-appointed external team of academics and professionals. The results of the self-study and the external site-visit team are consolidated by NASPAA as part of their re-accreditation process. In turn, the NASPAA comments/recommendations are shared with the M.P.A. faculty and strongly influence planning and governance actions impacting the program.

The SPPA Academic Curriculum Coordinating Committee, consisting of all program directors in SPPA, including the M.P.A. director, develops and reviews a three-year course offering plan to meet program curricular needs. The committee also reviews all course and curricular changes.

II.  Internship Requirement:

An internship is required for anyone with less than two years of fulltime, professional-level work experience. Those with sufficient prior relevant work experience may request a waiver of the internship requirement. See the Internship Coordinator for details.

Do you intend to seek a waiver from the Internship Requirement?  _____Yes   _____No
Waiver approved ___________________________________________ Date________

Internship Placement and Duties

III.  Area of Specialization (Select One):

A specialization should be selected and approved prior to the third semester. Indicate your area of specialization below. In addition to the threshold course listed for your specialization, list other SUAPP course you plan to take in your area of specialization. Every specialization requires at least 6 credits (three credit threshold course plus an additional three credits).

Public Policy & Management
Threshold Course: UAPP 701 Public Policy (3)

Nonprofit & Community Leadership
Threshold Course: UAPP 672 Nonprofit Organizations: Scope, Frameworks & Dynamics (3)

Emergency Management
Threshold Course: DISA 650 Overview of Disaster Science & Management (3)

</table>
Student Designed Specialization  □

A student-designed specialization must be developed in consultation with your academic advisor and approved by the MPA director. This specialization requires a three-credit SPPA Threshold Course determined in consultation with your academic advisor as well as at least three additional credits from approved courses.

IV. Capstone Writing Requirement

The capstone writing requirement is normally completed in the final semester of study. Students may choose either UAPP 699 (2) or, for those considering graduate study at the PhD level, UAPP 869 (6). Check School/University policies for thesis guidelines. Your topic should be drawn from your specialization, or another area with your advisor’s permission. Indicate your choice below:

- UAPP 699 Policy/Management Brief (2) Title/Topic

  Policy/Management Brief Advisor

  Committee Member(s)

OR

- UAPP 869 Thesis (6) Title/Topic

  Chair

  Committee Members

Academic Advisor's Approval_____________________________________________________

Revised: 10/15
