Hi Tom,

I checked with our School Director Maria Aristigueta. She said to go ahead and add UAPP657-Health Policy. Please let us know if you require additional information.

Dear Thomas:

I am copying our faculty member who teaches that course for a response.

Thanks!

Hi Nicole:

I'm a faculty member in KAAP and Director of Athletic Training Education here at UD. We are in the process of developing a new entry-level master's degree program in Athletic Training and wish to involve your current course offering titled "UAPP657 – Health Policy". We intend for our students (10/15) to take this class during the Fall semester beginning Fall 2020.

UD's "Curriculog" system is requiring us to: "Identify other units affected by the proposed changes and provide letters of support from those units." Thus the reason for my message today. An e-mail response is satisfactory for inclusion.

Thanks for considering,

Sincerely,

Thomas W. Kaminski, PhD, ATC, FNATA, FACSM, RFSA
