## **UDSIS** Student Center Privacy Settings

UDSIS is the University of Delaware's computerized Student Information system. This document shows how to edit privacy settings regarding the release of personally identifiable information. For a complete review of privacy issues and the Family Educational Rights & Privacy Act of 1974 (FERPA), see <a href="http://www.udel.edu/registrar/policies-procedures/ferpa.html">http://www.udel.edu/registrar/policies-procedures/ferpa.html</a>.

- 1) Log into UDSIS <a href="http://www.udel.edu/udsis-student">http://www.udel.edu/udsis-student</a> .
- 2) On your Student Center home page, under "Personal Information", click Privacy Settings.

3) The FERPA Restrictions page shows any restrictions you have set regarding your personal information. As seen below, Home and Mailing Addresses, along with Date of Birth, Cellular and Home phones are all restricted.

Last update: 10/20/14

4) To add/edit restrictions, click the EDIT FERPA/ DIRECTORY RESTRICTIONS button at the bottom of the page and follow screen directions.

5) If you want to release **Dean's List** and **Graduation** information to publication, click the link <u>Click here for Exceptions</u> on ANY of your restriction lines to arrive at the following page:

6) To allow release of your name for Dean's List and/or Graduation publication, choose the desired dropdown item and click the **add button** to indicate you **want** to release this information.
