Welcome to the University of Delaware!

My name is Brooks Raup, and I am UD’s Student Veteran Services Coordinator. As the dedicated on-campus resource, I am here to be of assistance to prospective students, student veterans, dependents of veterans using VA educational benefits as well as to assist faculty and staff who are working with student veterans. I am a veteran of the U.S. Army and veteran student, so I understand the challenges of transitioning from the military to higher education.

This is an exciting time to be a student, especially a student veteran in higher education. Thank you for your service and the sacrifice you and your family have made. Your education benefits are earned by virtue of your honorable service and are a very sincere thank you from a grateful nation.

Please contact me at any time if there is anything I can do to assist with your success here at the University of Delaware. My office is located in #143 of the University Visitors Center (210 S. College Avenue). My door is always open, and I encourage walk-ins!

**IMPORTANT INFORMATION:**

1. **Course Changes**

   If you find it necessary to withdraw from or make changes to a course (e.g. changing to “Audit or Listener”) for a term, please be aware that you may incur debt with the VA. It is extremely important that prior to making changes or withdrawing from any class you speak with your academic advisor and/or me about any repercussions that may occur.

2. **Classes Scheduled**

   Once you have scheduled classes for a term, please remember to submit your Veterans Enrollment Data form to have your VA benefits certified to the VA for payment. Failure to submit this form will result in no VA certification being submitted to the VA for payment of tuition and fees, book allowance and BAH payment. Click on the link below and scroll to the top of the screen to submit the enrollment form for a specific term.
