Graduating Student Veterans:

The time has come to recognize and congratulate you on the hard work and dedication you have showed over these last few years. On behalf of the University of Delaware, I extend a sincere congratulations and best of luck to this year’s class of graduating student veterans of 2017. You have been exceptional representatives of the University of Delaware and through hard work, dedication and sacrifice have made it to another milestone in your career. Congratulations!

The University of Delaware is a better place having the likes of student veterans like yourselves. You now join the fraternity of past Blue Hen Veterans and have laid the groundwork for our future. For this, I personally thank you!

On behalf of a grateful nation you once served and from the University of Delaware, congratulations and best of luck!

Military Transfer Credit Information: REMINDER

Effective in Fall 2017, students may earn some limited credit for military experience and have that credit posted to their University of Delaware transcript. Current students admitted prior to Fall 2017 should follow the process below to have coursework evaluated.

1. Submit a written request to have your Joint Services Transcript (JST) evaluated for posting of transfer credit. Send your request to Carolyn Quinci, Senior Associate Registrar, by way of email (cquinci@udel.edu).

2. Request to have your official Joint Services Transcript sent to the University of Delaware by going to the Joint Services Transcript site at https://jst.doded.mil/smart/signIn.do. Once you are logged-in, click on the “Transcripts” tab at the top of the page, then click the option for “Official Transcript Request.” Type “University of Delaware” in the search bar, click on the name of the school once it populates, check the box stating, “I have read and agree with the above consent statement,” and click “yes.”
Following this process above should send your official Joint Services Transcript to the University of Delaware for review of credits. Once you have submitted your written request and JST, please allow two weeks for processing. Check your Transfer Credit Report, found in your Student Center in UDSIS, for any updates to your record. If you have any questions about this process please feel free to let me know. As always you can stop in my office, email, or call me directly.
