**IMPORTANT VA BENEFIT UPDATE:**

If you have not done so already and wish to use VA education benefits for the upcoming 2018 winter and or spring term(s) please be sure to submit the UD Veterans Educational Benefits Enrollment Data Form. The form should be submitted when you register for classes but no later than the first day of classes. Please see the attached link below to access the veteran form.

If you have already submitted the UD Veterans Educational Benefits Enrollment Data Form and have not received any payment from the VA (books, BAH or tuition and fees) please reach out to me directly ASAP! The VA is currently still behind processing benefits however if you have not been paid I will reach out to the VA on your behalf to resolve these issues.

Additionally, please remember when scheduling classes for upcoming terms (winter or spring), as soon as you have classes scheduled for either term you can submit the UD Veteran Educational Benefits Enrollment Data Form. Without the submission of the form I cannot submit certification to the VA for payment. The quicker you submit this form the faster we can submit your certification to the VA for benefits.

If you have any questions or concerns please let me know as I am always happy to help!
I wanted to thank everybody who assisted in making “UD’s Veteran Week” a huge success. I also wanted to thank everybody who came out to support our student veterans throughout each of the week’s events. Without you and your support many of these events may never happened but most importantly without the sacrifice of our current student veterans and those veterans who are no longer with us we would not enjoy the freedoms we have today.

Freedom is not paid for in dollars and cents its paid for by every single American flag that was on the green this week that equaled one veteran who gave everything so we can enjoy the freedoms we have today. To all veterans out there thank you!

Please be sure to see the attachments in the email with links to pictures throughout “UD’s Veteran Week”

Student Veteran Survey

The University of Delaware was named to Victory Media’s 2017 Military Friendly® Schools List, and ranked as fourth among the Top 10 Gold Military Friendly® School Award winners in the category of Tier One Research Institutions. Victory Media now requires schools to administer a Veteran Student Survey as part of the process of to become designated a Military Friendly® School. As a military student, student veteran or veteran dependent student at UD, we hope you can take time to complete this survey. Your responses will help us know how well we are serving you and your fellow military and veteran students, and to make improvements to better serve you and students considering attending UD.

If you have any questions please let me know.

Miscellaneous Information

I have been getting a lot of emails and phone calls about whether or not the VA has a tutoring program that is paid for.
