If you have not done so already and you wish to use VA benefits (CH 1606, CH.35, CH. 30, CH. 33 or CH.31) for **Spring Term 2019** please be sure to submit the UD Veteran Educational Benefits Enrollment Data Form. I have attached the link below for you to access.

Once you have **Summer 2019** classes scheduled please be sure to submit the UD Veteran Educational Benefits Enrollment Data Form. I have attached the link below for you to access.

Once you complete and submit the form, please be sure to add the additional credit (amount VA will pay towards tuition and fees) on your student account. This is very important as adding “additional credit” lets Student Financial Service know about this pending aid for the coming term.

Fun Facts about Each Branch:

Air Force: Before the Air Force became its own branch of the military, it was a part of the Army. On Aug. 1, 1907, the U.S. Army Signal Corps formed the Aeronautical Division, which later evolved into the Air Force.

Army: The Army was the last service branch to adopt an official song. On Veterans Day 1956, “The Army Goes Rolling Along” was declared as the branch’s official tune.

Coast Guard: The Coast Guard is smaller than the New York City Police Department.

Marines: The Marine Corps motto, “Semper Fidelis,” was adopted in 1883 as the official motto. It is Latin for Always Faithful.

Navy: If an anchor is fouled, it means the line or chain is wrapped around the shank and fluke arms. This indicates the anchor is no longer suitable for use. These retired anchors are usually displayed for decorative purposes on base or in Navy communities. The symbol is also part of the Chief Petty Officer rank insignia. When used in body art, the fouled anchor represents a tour across the Atlantic Ocean.
