UNITEDSTREAMING Web-Based Digital Delivery System

What you need to know:

- All videos are correlated to the Pennsylvania state standards
- You can search the video library by: keyword, subject, grade level, state standards, all available titles and advanced options.
- Choose from a full video or a short concept clips to stream and/or download for classroom instruction or for use in a multimedia presentation.
- * Access a calendar of historical events directly linked to video clips.
- Create your own "Playlists" to bookmark video clips for quick and easy use in the classroom. (Debbie and I are working on creating a CD with videos appropriate to your curriculum)

How to begin:

- ✤ Go to <u>www.unitedstreaming.com</u>
- Enter in our Passcode to create a username and password. Each time you wish to use unitedstreaming, enter your newly created username and password, rather than entering in the Passcode again.

• When you go in again, go here with your username and password.

Welcome to unit	itedstreaming!
Please take a brief m can create a user acc	moment to complete the following form so that you account of your very own.
Once your login has l unitedstreaming site.	s been created, we will automatically log you into the te.
