AVROM BENDAVID-VAL  
PREFACE BY JONATHAN SAFRAN FOER

*“The definitive history of this definitive place. If this book feels more fantastical than my novel, or than any novel you’ve ever read, it is because of Trochenbrod’s ingenuity, the Holocaust’s ferocity, and Bendavid-Val’s heroic research and pitch-perfect storytelling.” –Jonathan Safran Foer, from the Preface*

**THIS EVENT IS FREE AND OPEN TO THE PUBLIC**
