

thank you for your support of the core facilities in Delaware

for providing the venue for today's event

Exhibitors:

Special thanks to QIAGEN for providing gift cards

Organizing Committee:

Christine Brandt
Jennifer Holbrook
Dave Pedicone
Terry Pedicone

Research Core Instrumentation:

Kirk Czymmek, *Chair*
Katia Sol-Church, *Co-chair*

Financial support provided by:

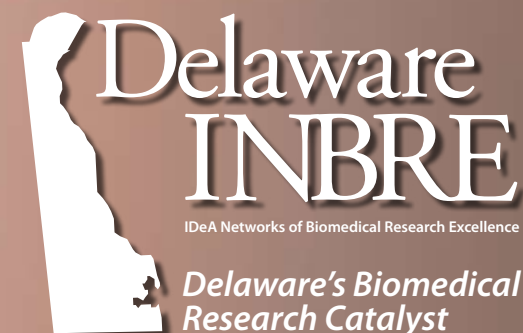

This event is supported by the Delaware INBRE program, supported under NIH-NIGMS grant #8P20GM103446-12 and through the State of Delaware.

CORE FACILITIES OPEN HOUSE

May 10, 2012

9:00 a.m. – 1:00 p.m.

at Nemours/
Alfred I. duPont for Children

corefacilities.dbi.udel.edu

Core Facilities Open House – May 10, 2012

The Core Open House is designed to present an overview of the life sciences core services and shared instrumentation available at the Delaware IDeA Network of Biomedical Research Excellence (INBRE) partner institutions and to provide networking opportunities with colleagues and local vendors.

GUEST SPEAKERS

Karl V. Steiner, PhD, University of Delaware
Senior Associate Provost for Research Development
Professor, Electrical and Computer Engineering
Professor, Biomedical Engineering Program
Principal Investigator, Delaware INBRE

Vicky L. Funanage, PhD, Director, Nemours Biomedical Research (DE & FL)
Head, Musculoskeletal Inherited Disease Lab
Associate Professor of Pediatrics, TJU
Nemours Biomedical Research (DE & FL)
Adjunct Professor, College of Health Sciences, UD

Robert W. Mason, PhD, Nemours Biomedical Research
Director Cell Science Core
Director of Graduate Studies
Scientific Director, Tumor Bank
Head of Clinical Biochemistry

All events will take place in the ARB Auditorium

AGENDA

- 9:00 *Registration / Continental Breakfast*
- 9:15 *Welcome and Introductory Remarks — Kirk Czymmek*
- 9:30 *Welcome to Nemours / Celebrating Research — Vicky Funanage*
- 10:00 *INBRE's Impact on Delaware — Karl Steiner*
- 10:30 *Celebrating Science: The use of the Core Facilities — Rob Mason*
- 11:00 *Open House of Core Labs (with passport cards)*
Lunch provided
- 1:00 *Closing Remarks and final prize drawing*— Kirk Czymmek*

** Must be present to win
Prizes include (3) \$1000 core waiver fees, iPhone accessories and more.*

CORE PARTICIPANTS

Core Name & Director	Presenter
Bioinformatics Core Facility, Nemours <i>Director - H. Timothy Bunnell, PhD</i>	Suzanne McCahan/Chris Pennington
Biomolecular Core Laboratory, Nemours <i>Director - Katia Sol-Church, PhD</i>	Jennifer Holbrook/Dana Ward
Cardiovascular Core, UD <i>Director - Ulhaus Naik, PhD</i>	Ben Rohe
Cell Science Core, Nemours <i>Director – Robert Mason, PhD</i>	Lisa Glazewski/Aruna Sri Bojja
Christiana Care Center for Outcomes Research, CCHS <i>Director - William Weintraub, MD</i>	Jim Bowen/Ruth Aguiar
CTCR Core Facility, UD <i>Director - Kirk Czymmek, PhD</i>	Ben Rohe
CTCR Helen F. Graham Cancer Center, CCHS <i>Director – Nicholas Petrelli, MD</i>	Lynn Opdenaker
DBI Bio-Imaging Center, DBI <i>Director - Kirk Czymmek, PhD</i>	Kirk Czymmek
DBI Bio-Informatics Center, DBI <i>Director – Cathy Wu, PhD</i>	Shawn Polson/Katie Lakosky
Histotechnology Core Laboratory, Nemours <i>Director – Carol Barone, HT(ASCP)BAAS</i>	Bobbie Boyce/Terry Kokas
Protein Characterization Facility, DBI <i>Director – Yu-Sung Wu, PhD</i>	Yu-Sung Wu
Proteomics & Mass Spectrometry Core Facility, DBI <i>Director - Kelvin Lee, PhD</i>	Leila Choe
UD Sequencing & Genotyping Center, UD <i>Director – Bruce Kingham, MS</i>	Bruce Kingham
Tissue Procurement, Nemours <i>Director – Diana Corao-Urbe, MD</i>	Christine Brandt/Aruna Sri Bojja
