Tyrese Gibson is well known for his starring roles in the films, *Baby Boy*, *2 Fast 2 Furious*, *Transformers*, and *Transformers: Dark of the Moon*. In his new memoir, *How To Get Out Your Own Way*, Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles get in the way. In this lecture, Tyrese will share life lessons and how his mentor, Will Smith, helped him overcome his chaotic childhood by believing in him when he didn't believe in himself.

A Book Signing will follow his lecture.
