1/25/16 - 2/5/16

-Storm water work along Academy shall continue heading north from Courtney St. to North fire-lane entrance.

-A half lane shutdown of Academy Street shall occur during this time frame. Shutdown will only occur during daytime hours with Academy St. being fully open during evening hours.

Although storm work is ongoing in section of the firelane, this entrance may be accessible. South side firelane will be open if needed while this length of stormline is being installed.
