Carpool Permits

- Enclosed is an informational sheet pertaining to your permit type and scratch off passes. Please be sure to read all information.

- If both carpool members need to park on campus, the second vehicle should utilize a carpool scratch off pass. When using a scratch off pass, please be sure to scratch the appropriate month and date as they are considered used once scratched. Scratch offs should only be displayed on vehicles registered to the carpool.

- Parking Services must be notified whenever an individual withdraws from a carpool to determine if the carpool membership has to be restructured to maintain eligibility.

- If the carpool permit is cancelled, please return all unused carpool scratch off passes.

- Gate carpool patrons: If you do not already have a gate access card, you will find one enclosed. Please use this card to enter (and exit in some cases) your assigned gate. Your individual ID card will not operate the gate arm. Scratch off passes are not valid in gate lots. No access card is used for Perkins garage or Center for the Arts Garage.

- In an emergency, registered carpoolers can arrange for a guaranteed ride home through RideShare Delaware. For more information, visit the RideShare site, www.ridesharedelaware.org.

- Only one vehicle can be parked on campus at a time per permit.
