Gather Information

or select from the Alternatives below now

Meet with the media immediately, and inform them that you will have someone look into the situation.

Assign the fire chief to respond to the media while you get up to speed on what is going on.

Meet briefly with WLOX to confirm deaths, but schedule a detailed briefing for later.

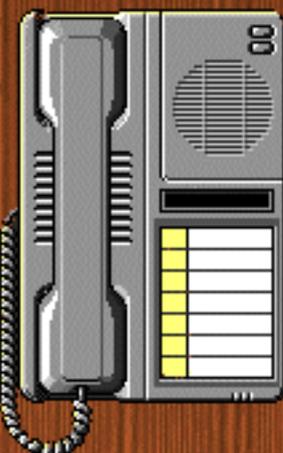

Meet briefly with WLOX to indicate that it appears there are no reported deaths, but schedule a detailed briefing for later.

Schedule a briefing with the press for later so that you have time to gather accurate information, and have a full appraisal of the situation.

Decisions will be stored for retrieval and review at any time.
You have **10 minutes** to make a decision.
