Barcode and Inventory All Cylinders

Barcode Placement
• Place the barcode near or on the cylinder label.
• Do NOT cover manufacturer information.

Cylinder Disposal (non-rental cylinders)
• Place a hang tag* with a waste label on the tag.
• Do NOT place the orange waste label on the cylinder.
• Place the cylinder with your other chemical waste for pickup. “Cylinder buckets” will be added to the CAAs.

* Hang tags will be available where you pick up orange waste labels.
