

CHEMICAL SAFETY MOMENT

Issue 97 – October 2025

October Self Inspections: Allen, Willard, CCM, Colburn, Harker (ISE) Lab, McDowell

November Self Inspections: Wolf, Bldg X, Georgetown, Sharp, DGS, WorriLOW, Fischer Greenhouse, 15 Innov, TNS

Back to Basics: Hazard Placards and Minimum PPE

Every laboratory, shop, studio, and maker space must have a hazard placard at the entrance of the space. Is yours up to date?

Date of the last hazard review
Has anything changed since?

Responsible Party or Space Designation
Is this correct for your space?

University Emergency Numbers
Call UDPD first, then EHS

Minimum PPE above “proper lab attire”
Eye protection is ALWAYS required for:

- Every Administrator*
- Every Faculty member*
- Every Facilities member*
- Every Staff member*
- Every Student*
- Every Visitor*
- Are you on this list? No? Still required. EVERYONE!*

123 Revision Date: 10/12/22

Brandon Calitree
