## **Application for Advanced Degree**

Information about deadlines and other degree related items can be found on the web at the "Step-by-Step Guide to Graduation" section at http://www.udel.edu/gradoffice. Graduate degrees are awarded at the end of Fall, Winter, Spring and Summer sessions. All degree candidates will receive an official "letter of degree completion" from the Office of Graduate and Professional Education upon the completion of the degree audit and official clearance for the awarding of the degree.

## Please note:

- 1. The deadline for degree application is September 15 for December degree conferral, December 2 for Winter degree conferral, February 15 for May degree conferral, and May 15 for August degree conferral. Please deliver the completed and signed degree application form with payment to the *Office of Graduate and Professional Education*. You may attach a personal check made payable to the University of Delaware or pay at the Cashiers Office. The Master's fee is \$50; Ph.D., D.P.T. and Ed.D. fee is \$95.
- 2. To complete the application, list ONLY the courses that are required for the degree including courses in which you are currently registered. The Office of Graduate and Professional Education will record the grades for courses not yet graded when it reviews your application in the degree audit process. Grades below C- will not apply to the degree.
- 3. If you plan to continue as a student after completing your current degree program, you must indicate this on the application form in the appropriate box. Verification of this continued status at UD must be on file in the Office of Graduate and Professional Education.
- 4. All students must be registered in the semester that the degree is awarded including Summer and Winter sessions. If you need assistance with registration in sustaining status, contact the Office of Graduate and Professional Education.
- 5. A maximum of 6 credits of 869 (Master's Thesis) is permitted for Master's thesis degree candidates; a maximum of 9 credits of 969 (Dissertation) is permitted for Ph.D. candidates; and a maximum of 12 credits of 969 (Dissertation) is permitted for Ed.D. candidates.
- 6. Departmental notification of "pass" on comprehensive examinations, colloquia, research papers, portfolio, foreign language examinations, and/or approved course substitutions must be on file in the Office of Graduate and Professional Education. Be sure to mark these items as requirements for the program in the appropriate space on the application form.
- 7. Please update UDSIS with your appropriate address for your diploma and degree completion letter.
