Informational Release

Patrick Ogden, Chief of Police

On Thursday October 31st, Sgt. Hugh Ferrill from the University of Delaware Police Department Community Resource Unit conducted a Halloween Safety Presentation for children and staff at the College School. The students were provided with Halloween Trick or Treating safety tips. The children in the audience were interested and engaged, and they asked many questions. Halloween bags printed with safety tips and filled with coloring books, crayons, candy, and glow in the dark bracelets were provided to all the children.

Sgt. Ferrill acknowledged two very special guests who stopped by; Larry and Vince - the Crash Test Dummies. Larry and Vince reminded everyone the importance of buckling up when riding in a motor vehicle.

Emergency: 911
