	Students must enroll in either the MW (020L) or TR (021L) lab for a service learning field experience. Seats are limited to 18 students in each lab. If the lab you prefer is closed, you are required to register in the remaining, open lab. Transportation will be provided.		
	IMPORTANT NOTE: Students in any course with a field experience in which they are working with or observing children under the age of 18 (e.g., schools, community centers) must have a valid TB test on file at Student Health Services and a valid federal criminal background clearance with fingerprinting on file at the Office of Clinical Studies by the first day of the semester. It is essential that students meet the deadlines for fingerprint and TB clearances, which are required for entry into the course. For details, visit http://www.ocs.udel.edu Students should take ENGL295, EDUC413, and EDUC419 before junior year, and in separate semesters, if possible, in order to avoid having more than one field placement at a time.
