**Experimental (X67) and Topics Courses**

1. Submit the [Title Form for NEW Experimental and Topics Courses](#) if the title is new
   a. While in Design Mode-Plan Phase, titles will not be available in CLSS until the day after the Scheduling Office adds them to UDSIS
   b. While in Refine Mode, titles will be available in CLSS shortly after the Scheduling Office adds them to UDSIS
2. Submit the [Experimental Course Description Form](#)
3. Open or add the section
4. Use Title/Topic drop down to select the title you are using for the section

5. If the course is offered for variable credit, the Units fields will be editable. If the course is offered as fixed credit, the Units field will be grayed out.
