The 2010 U.S. Figure Skating qualifying competition season consists of a total of 14 events. These include 12 qualifying events (nine regional championships, three sectional championships), the 2010 U.S. Junior Figure Skating Championships (juvenile and intermediate) and the 2010 AT&T U.S. Figure Skating Championships (novice, junior and senior). All 14 events are sanctioned by U.S. Figure Skating and conducted according to the most current U.S. Figure Skating rulebook, 2010 edition, with changes and clarifications as posted on the U.S. Figure Skating web site and this announcement. Compliance with these rules as updated or amended is the responsibility of the participants. U.S. Figure Skating reserves the right to incorporate revisions to the international judging system (IJS) made by the ISU for junior and senior events and by U.S. Figure Skating to novice events and below.

The qualifying and national championship competitions are only open to competitors who (1) Are current members of U.S. Figure Skating (2) Meet the eligibility requirements according to U.S. Figure Skating Rule 3035 (3) Meet all age and test requirements pertaining to the event you are entering and (4) Meet the citizen and residency requirements as stated in Rule 3065.

Non-U.S. citizens who have already received a letter of permission from the chair of the Competitions Committee and were accepted to compete in the U.S. Figure Skating qualifying system are eligible to register. All other non-US citizens seeking eligibility must meet the requirements set forth in Rule 3065.

Important Notice for All Coaches

All coaches must comply with the coaches' registration policy in order to be allowed to instruct/coach at all qualifying competitions. Coaches will need to check in at the event registration desk and show proof of registration plus membership in both U.S. Figure Skating and PSA in order to receive a credential. Each local organizing committee (LOC) will ask to see each coach's registration, membership cards and a photo ID at check in. A list of all coaches who have successfully registered will be available at <http://www.usfigureskating.org/Shell.asp?sid=41529>. If they have not registered, they will not be allowed a credential – no exceptions.

Important Notice for All Pairs and Dance Teams

A. METHOD

Online Electronic Registration (Required)

Online registration is the ONLY method available for entry into the 2010 U.S. Figure Skating qualifying competition season. All competitors competing at the sectional championships had to register for the 2010 qualifying competition season by the deadline of Sept. 1, 2009.

To update all mandatory forms (Planned Program Content Form, Competition Music Form, Medical Registry, Media Form) for the 2010 qualifying competition season, proceed in the following manner:

- Log on to www.usfsaonline.org
- Click on “Online Event Reg,” then “Event Manager”

B. BYES

No medical byes will be considered. Competitors awarded a bye to their sectional championships or the U.S. Championships will receive official notification in writing from U.S. Figure Skating. All competitors wishing to compete in the 2010 qualifying competition season, including those who receive a bye, must enter by the Sept. 1, 2009 deadline.

C. ENTRY FEES

Sectional Championships Qualifying Entry Fees

Those singles skaters advancing, regardless of method, from their regional championships to the sectional championships will incur an additional \$150 entry fee plus \$10 administrative fee. This total will automatically be charged to the credit card that paid the initial entry fee.

All pairs and dance teams were charged the \$150 entry fee plus administrative fee during the initial registration process; therefore, no additional entry fee for these teams will be charged. Singles skaters who receive a bye from their regional championships directly to the sectional championships will only be charged the sectional entry fee of \$150 plus the \$10 administrative fee. Those who received a late bye after the close of entries and paid the initial \$130 entry fee (and the administrative fee) will be charged an additional \$20 to cover the cost of the sectional entry fee.

Your registration fee is not considered valid until all appropriate entry and administrative fees have been paid and all required forms have been completed online to U.S. Figure Skating.

D. PAYMENT

Online payment via credit card is the ONLY accepted form of payment.

For those competitors advancing to the sectional championships from the regional championships, the credit card used during the initial entry registration will be automatically charged the additional sectional entry fee. If an alternative card must be used for the sectional entry fee, please contact Lindsay Mulvey, U.S. Figure Skating, at 719.635.5200.

Once entered, all withdrawals are considered final. A skater may not reenter even if the withdrawal occurs prior to the entry deadline on September 1, 2009.

3. TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2010 season, all events and levels at all championship competitions (regional, sectional, U.S. Junior Championships, U.S. Championships) will be conducted in accordance with the international judging system (IJS).

B. AGE AND TEST QUALIFICATIONS

All age and test requirements can be found in the U.S. Figure Skating Rulebook starting with Rule 3640 (senior singles) and on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp.

C. TECHNICAL ELEMENTS

The well-balanced program charts for all levels and disciplines are posted on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp. As referenced earlier in this announcement, U.S. Figure Skating will incorporate all changes made by the ISU with regard to well-balanced programs. Please refer to this web site often for continuous updates.

All competitors entering into the 2010 qualifying competition season are required as part of their online registration to submit a planned program content sheet (PPCS) detailing the elements in their program(s). You may update your PPCS at www.usfsaonline.org up to one week prior to the start of your competition.

D. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program/original dance and free skate/free dance: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

COMPACT DISCS (CDs)

For all qualifying events during the 2010 season, CDs are the only acceptable media. CDs must be clearly marked with name, event entered and the music length. **Each CD must have only ONE (1) track on it. Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted. **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at the Regional Championships will be forwarded to the

Sectional Championships and the U.S. Junior Championships for those advancing. Those qualifying from the Sectional Championships will have their original music forwarded on to the U.S. Junior Championships/U.S. Championships.

Skaters receiving byes to the U.S. Championships must mail their competition music on CD no later than one (1) month (Dec. 13, 2009) prior to the start of the U.S. Championships to the following address:
