Graduate Student Government
The Graduate Student Government seeks to create a forum for graduate student advocacy while acting as a conduit between students, faculty, and administration at the University of Delaware. The Government supports campus-wide activities facilitating the graduate student professionalism and collegiality. The Government also seeks to influence the course of the University:

• Through representation on university committees,
• By expressing views of the student body to the administration,
• By issuing statements of our position to the media and administration.

Our logo represents the most important functions of our organization - community building and advocacy. The shape of the non-overlapping portion of each circle resembles a megaphone, analogous to us “speaking out” on the behalf of our constituents, the graduate students. Each of the individual circles is the official color of a College at UD. The overlapping circles represent the GSG bringing together students from all different colleges and programs.
